

# SOCIAL AND PERSONALS

Mrs. Joseph F. Sanders arrived last night from North Powder, Oregon, and will remain for an indefinite time in Pendleton as the guest of her sister Mrs. Charles M. Peacock, of 205 Garden street.

The thirty-five students of Riverside school will hold a basket social in the school house, starting at 7:30 this evening. The affair will be of a

benefit nature, to raise funds for carrying on activities of the school. A program will be given and games will follow. The entire Riverside community is expected to participate in the social.

Premiere among Kill Kare Klub activities for the winter was a dancing party in Eagle-Woodmen hall last evening. Thoroughly informal and

marked by a gracious spirit of hospitality, the affair was in charge of Mrs. L. A. Rogers, Mrs. G. I. Labow, Mrs. L. A. McClintock, Mrs. R. T. Hales, Mrs. I. U. Temple, Mrs. H. E. Green, Mrs. J. E. Allen, Mrs. Charles Greulich and Mrs. Alfred Koepfen. The guests assembled at 8 o'clock and enjoyed dancing until 11 when they adjourned to the banquet room and found places for the final hour about prettily decked supper tables.

The next number on the Kill Kare Klub calendar is to be given in a fortnight.

Mrs. W. Lyons arrived last night from Seattle to be a guest at the home of her daughter, Mrs. M. O. Bennett.

The Campfire Girls will hold a basket social tonight in the basement of the Methodist church. The public has been invited to attend the social.

The Thursday Afternoon Club met yesterday at the attractive home of Mrs. Thomas Thompson on Monroe street with Mrs. Thompson and Mrs. B. L. Burroughs as hostesses. Maroon and gold in vivid hues fluttered in gay festoons over scores of dancers who gathered in Liberty hall last evening to share the hospitality of the ladies auxiliary and local post of Spanish-American War veterans.

The benefit dance was delightfully informal and in an adjoining alcove the guests enjoyed a refreshing punch served under the direction of the ladies.

In charge of the event was a committee composed of Harry McFarland, Joseph Boyd, Dr. B. G. Vinson, Al Gorden and J. E. Pinson, commander of the post. The event is an annual one and proceeds from the 1914 affair will go toward support of orphan children of France "adopted" by the post and its auxiliary.

It takes a smart man to conceal from a woman what he doesn't know.

Nearly all of the party of Pendleton Maccabees, numbering nearly 40, who went to La Grande for a Wednesday session of the lodge arrived home yesterday, a group of them returning on No. 17 and others in a special car last evening.

Upon reaching the hostess city Wednesday the visitors were greeted by the La Grande Maccabee captain and guards, attired in white, who escorted them to the K. of P. hall where breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract before eating more food.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

## ARMISTICE!

Constipation, Headache, Colds, Biliousness, Surrender to "Cascarets"

Bring back peace! Enjoy life! Your system is filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head dull and aching. Your meals are turning into poison, gases and acids. You can not feel right. Don't stay bilious or constipated. Feel splendid always by taking Cascarets occasionally. They act without griping or inconvenience. They never sicken you like Calomel, Salts, Oil or nasty, harsh Pills. They cost so little too—Cascarets work while you sleep.

## Everyone Should Drink Hot Water in the Morning

Wash away all stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract before eating more food.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.
