LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys of Bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly back-ache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot hurt anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

TROCO

Saves as Well as Satisfies

Troco is a delicious, nutritious table luxury. And Troco saves you 25 to 40 cents on every pound. It enables you to enjoy generous abundance instead of having to practice disagreeable economy. Can you wonder that so many careful providers are using it?

What could be more attractive than the dainty nut fat of fresh coconuts, the food delicacy of the Tropics? Churned with pasteurized milk, it forms a nourishing luxury, which every one enjoys.

Troco is churned and shipped every day, on ice. If your dealer will order frequently and keep his stock on ice, Troco will reach your table as fresh and sweet as when it left the churn. Remember the name—Troco—when you order from your dealer. If he cannot supply it in perfect condition, write direct to the Troco Nut Butter Company, Chicago.

We are obliged to label Troco "oleomargarine" because of old laws passed before this nut-made product was invented. Troco contains no animal oils, just pure vegetable fats and pasteurized milk. Law also forbids our coloring while churning. Do you regard such discrimination as fair? Write your congressman about it.

Send for Troco Recipe Book

The Troco Recipe Book, a practical little volume, prepared by Ida C. Bailey Allen, gladly sent free on request. Address: Troco Nut Butter Co., 30 N. Michigan Ave., Chicago, and mention your dealer's name. (For Sale by All Dealers)
