A divorce was granted Saturday to T. H. Curry from Mrs. Emma C. Curry.

**Umatilla To Receive \$3,280.48.**  
Umatilla county will receive \$3,280.48 as a share of money received by the federal government from rental sales of timber and other sources from the forest reserves. Oregon counties will receive a total of \$115,495.74, which will be divided among 20 counties.

**Moses Taylor Files Appeal.**  
Moses Taylor, defendant in the case of Iley Winn vs. Moses Taylor, today filed notice of appeal with the state supreme court, from the recent circuit court decision favoring the plaintiff. His petition for a rehearing was denied recently by Judge Fred Wilson, of The Dalles, who presided during the trial of several cases in which Taylor was interested. The case will be heard before the supreme court in Pendleton at the May term. The judgment against Taylor is for nearly \$4000.

**State Chamber Stand Clarified.**  
The board of managers of the Pendleton Commercial Association last night clarified that body's attitude toward the state chamber of commerce. The association has not divorced itself from the state chamber nor dropped its membership, but decided that persons who have individual membership

ship and are also members of this association, will be given credentials, should they care to attend the annual meeting of the chamber. The association, however, will not pay the expenses of sending official delegates nor will it, at this time, endeavor to get individual memberships locally for the state chamber.

**Man Fined for Having Beaver.**  
Elmo Walden, a rancher residing near Prosswater, was fined \$25 and costs by Justice Joe H. Parks this afternoon for having a beaver in his possession. The skin and carcass of the animal were found in Walden's possession by Deputy Game Warden William Albee.

**Back Interest Payment Wanted.**  
Mrs. Frankie E. Cox today filed suit against Elbra S. Harris and S. C. Killgore to enforce payment of \$245, alleged to be the overdue interest payment for one year on a note for \$2,500 of which she is now the owner. She is represented by Isaac, Haley and Steiwer and H. J. Warner.

**Two Couples Issued Licenses.**  
Oscar W. Lundgren, of Yakima, and Miss Marion Murray, of Pendleton, were issued a marriage license yesterday afternoon and were married last evening. A license was issued today to Marion F. Hall of Touchet, and Miss Essie Winifred Holmes, of Pilot Rock. They plan to be married here tomorrow.

**Rock Supplies Found Scarce.**  
Sources of rock supply for graveling the Havana to Helix highway were found scarce yesterday by Engineer R. H. Baldoek, County Roadmaster. R. E. Phelps and County Judge C. H. Marsh, who went over the route. One good supply was located a mile north of Helix, another about one mile south and the only other source near the McCormack place close to Havana. Mr. Baldoek suggested that test pits be dug along the right of way after the snow melts to determine whether there are gravel beds at convenient intervals. At the distance which rock would have to be hauled now, rock would cost between 14 and 15 a yard, he estimated.

## Be Prepared For Influenza CUT THIS OUT

Many medical men say we will probably have another epidemic this fall. Let us all hope and pray we will not. But at the same time let us be well prepared. The flu as it is called, usually starts with a cold and tightness in the chest. If you even suspect there is a chance that you may be getting influenza take a good dose of laxative tea, such as Dr. Carter's K & B Tea or Celery King and send for your physician. While you are waiting for the doctor rub Egly's Mustardine on throat and chest. Rub it on freely and never mind if it does feel good and hot, it cannot blister even the tenderest skin. But don't stop at throat and chest; get some one to rub this enemy of inflammation over your entire back and especially between the shoulder blades. This is one of the most sensible precautions you can take against pneumonia, which often quickly follows the flu and is just what the doctor tries hard to sidetrack. You can get Egly's Mustardine for 30 and 60 cents in yellow boxes all ready for use at any drug store. Remember it is made of real yellow mustard. Use it for sore throat, coughs, chest colds, pleurisy, bronchitis, lumbago and all aches and pains.

## Skookum Pancake FLOUR

is receiving recognition all over the North west and very extensively throughout Umatilla county, outside of Pendleton. Very gratifying orders are constantly being received from Portland, Spokane and Idaho points. Skookum Pancake Flour is a really good product, having already proven its worth. Do not be misled by temporary cheap prices from large outside concerns. These temporary prices are merely a club used to cripple the home manufacturer. If they accomplish the desired effect the price on their own product begins to ascend.
