Out of the Underworld

Imagine the worst sharks that exist in New York's Chinatown—a daring cracksman, a beautiful girl as tough and wicked as a snake, a faker who counterfeits any deformity, a dope-fiend, as sly as a weasel.

Imagine such crooks in a little village, invading the lives of other human beings as good as these are bad—the acid of sin striving to bite into the gold of pure hearts.

Imagine! . . .
Imagine all you've known of good and bad in this world, and even when you can't imagine the wondrous appeal of "The Miracle Man."
