Climbing

You cannot push one up a ladder unless he is willing to climb a little, no more than you can make a male drink after leading him to the trough.

Fact is, the right sort of fellow does not care to be pushed up all the way, there is too much joy in doing one's own mounting.

A Savings Account has proven, in untold instances, the ladder to success. Do you want to climb it?

We open such accounts every day. One Dollar or more starts one.

But Little Change In Millfeed at New Top.

There is but little change in the prices in local groceries today. Fruits and vegetables are hard to get because of the tieup of the railroads and it is almost impossible to secure perishable products during the cold snap.

Oat Price Stronger.

Mill feed showed renewed strength on exchange yesterday because of the grip of winter and went to \$42.25 a ton, f. o. b. mills, a new top for this year. Oats also showed strength, advances of 50 cents a ton being bid all along the line. Quotations today are \$56.50, \$57.50 and \$58. Corn is listed at \$61 and \$63, with barley unchanged. The barley prices are \$66, \$68 and \$69.50.

TWIN CITIES WILL NOT FIGHT CHICAGO'S CLAIM

ST. PAUL, Minn., Dec. 11.—(United Press.)—The Twin Cities of the North have combined in an effort to bring the national convention of the republican party here in 1920 if the national executive committee decided against Chicago as the meeting place.

Gustav Lindquist, secretary to Governor Burnquist and member of the national executive committee, started the boom for the Twin Cities in the fight for the convention. He pointed out the fact that the northwest normally delivered a republican majority.

The Minneapolis Chamber of Commerce decided to lend its support to St. Paul in the capital city's campaign for the convention.

D. V. Cavanaugh, chairman of the convention committee of the St. Paul association has laid plans to attract the convention here.

Chicago, it is reported here, may be decided upon as the permanent meeting place of the republican party conventions and if it is, the Twin Cities will make no effort to get the convention.

ALLEGED I. W. W. IS TAKEN INTO CUSTODY

SEATTLE, Dec. 11.—Thomas M. McKinley, 27 who says he is secretary of the Shipbuilders' Industrial union, No. 225, Industrial Workers of the World, was arrested here today. In McKinley's room police found lists which they said contained the names of approximately 1,000 members of the union. Reports received by the officers indicate the body has a membership of around 2,500. Papers seized, it was said, indicated the shipyard I. W. W. planned to endeavor to cripple the American Federation of Labor.
