POTATOES ARE FROZEN ON WESTON MOUNTAIN

(East Oregonian Special.)

WESTON MT., Dec. 15.—Weston Mt. is having the longest cold spell in years. The thermometer registered 5 to 10 degrees above zero for 10 days and then went to 12 degrees below Friday morning. Snow is about fifteen inches on the level. Robert Hopkins had the misfortune to have 500 sacks of potatoes frozen in the ground and J. C. Hopkins 50 sacks. Tom Barber also lost some.

J. W. Bowers left for Pilot Rock Nov. 29 and it snowed so much that he had to leave his car there and come home on the train. He expected to bring some pigs home but had to leave them.

Albert Gould and John Wroe expect to move to Burbank next week to send their children to school provided they can get a house. There is plenty of work there leveling land and building rock roads.

Mr. and Mrs. R. E. English will visit Mrs. English's parents during the holidays in the Willamette valley. If the train service is not too bad.

Mr. and Mrs. C. L. May and Mr. and Mrs. Charles Schneider were Athens visitors Wednesday. Mr. Schneider expects to leave for Washington, Washington, the last of the week. Their daughter Mrs. Tom Barber and children will go with them for a visit.

Mark Henderson is having the worst kind of luck with his horses. He had the misfortune to lose one old horse Thursday, Monday a brown mare and Tuesday the male, a bay mare. He

does not know the cause as they died very suddenly.

Roy Hyatt left for Pendleton Wednesday for the rest of the week to have some dental work done.

Henry David came over from Washburn Friday for his saddle horses but the river ferry was frozen over and he had to bring them back.

Roy Mays moved to their new home last week. Mrs. J. W. Hyatt went to Walla Walla to visit her sister Mrs. Mitchell. Mrs. Cecil Hyatt and little son Vernon visited an aunt in Walla

Walla. Little Vernon has been quite sick for a week.

Francis Gilliland of Uklah visited his aunt, Mrs. Bowers and family last week.

"Six O'clock Town" runs a headline. We are reminded of a story where a man was asked that question, and replied: "Oh, I think not. Any thing that is used on Sundays is only ought to last a long time."—Boston Transcript.

DADDY WON'T BRING HER

PARIS—"Daddy," please, take me to America."
But "daddy" won't and so Mlle Suzanne Lenglen of Picardy, girl tennis wonder, probably will not have the opportunity of meeting American court champions.
She never goes anywhere without "daddy"—yes, her father—and he flatly refuses to go sailing across 3000 miles of seaickness for any tennis game.

Despite the city's prosperity and maritime importance many of its customs have remained unchanged through the three centuries since the Pilgrims waved their farewells.

American bluejackets have dubbed Plymouth "a nine o'clock town" for at that hour each evening the streets are practically deserted. Bills are drawn, taxicabs are unavailable and night clerks in the hotels have settled themselves comfortably for the night's slumber behind their desks.

But if it is a nine o'clock town in the evenings, it certainly is "a six o'clock town" in the mornings for that hour sees the majority of the people setting about their day's tasks. The fish market and dock yards are in full operation, the shopping districts are beginning to open and the streets are lively. "Famous as a departing port for the Pilgrims and more recently for the arrival there of the NC-4 after her flight across the Atlantic, it is appropriate that Plymouth should again set her name into history through sponsoring the feminine invasion of the commons," commented one of Lady Astor's Unionist supporters.

How Do You Feel—When You Stoop?

Slow and sluggish movements, tired action, backache, rheumatic pains, stiff joints or sore muscles indicate that something in the human system is out of order. In most cases, these symptoms are the result of waste matter or poisonous acids being left in the blood by the failure of the kidneys to properly do their work of filtering and casting out impurities from the blood.

STOPPED HIS BACKACHE
"I am 37 years old. I tried Foley Kidney Pills, thinking I needed them as my back was hurting and aching all the time. I do not know when I would stoop over in the store while at work I could hardly raise up—such an awful pain in my back. After taking just one bottle of Foley Kidney Pills, my backache was entirely gone and I felt good and strong. I think they are the greatest remedy for backache and irregularity of the bladder."—W. P. Tatum, R. P. D. 1, Washington, Pa.

FOLEY KIDNEY PILLS

have been used by young, middle-aged and old with complete satisfaction. You will find them different from all other remedies.
