### Every Man Likes a Fine Tie

AN IDEAL CHRISTMAS GIFT

The practice of making Christmas Gifts of Neckwear increases year by year. There's a reason for this.

The scarf is the one bit of color that a man may wear and he likes to indulge his fancy. He wants plenty of variety.

But in giving Neckwear, you must be sure it's in good taste and of fine quality.

Our selection of silks this season outdoes any of our past efforts.

You may purchase a tie in our Men's Store at moderate prices, as well as the most expensive—50c to \$5.00.

### A New Skirt for Christmas

We have just received some smart new styles in pretty skirts and would like you to see them tomorrow. Of all the skirts we have shown this season, these are the most attractive.

Into them the makers have put their best ideas and their best fabrics. Some of the styles are quite elaborate; others are simple; all are becoming and unusually good looking.
