ECZEMA ON FACE FOR FOUR YEARS
 Itched and Burned Constantly. Cuticura Heals.

"Eczema broke out on my face which was covered with dry blisters. They itched and burned constantly, and then my face would become swollen and inflamed. At times I could not sleep for the burning and itching."
 "For four years I was troubled mostly in the summer. At last a friend told me about Cuticura which I bought. After I had used two cakes of Soap and one box of Ointment I was healed." (Signed) Miss Delilah R. Bullock, S. Ellingsham, Wisah.

Keep Your Skin Clear Scalp Clean, Hands Soft
 Cuticura Soap to cleanse, purify and beautify. Cuticura Ointment to soften, soothe and heal, has been most successful in preserving clear skins, clean scalps, and good hair, as well as in preventing little skin troubles becoming great ones. Use no other for toilet purposes than Cuticura.

Get the best test the face—Apply Cuticura Tablets on your skin. The Soap, Ointment and Tablets are sold everywhere. Each box free by mail address: "Cuticura, Dept. B, Boston."

AN INSIDE BATH MAKES YOU LOOK AND FEEL FRESH
 Says a glass of hot water with phosphate before breakfast keeps illness away.

Physicians the world over recommend the inside bath, declaring this is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do. Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible materials, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the alimentary canal before eating more food.
 Those who wake up with bad breath coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who have bilious attacks of constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to show the value of inside bathing.

CHANDLER SIX
 Famous For Its Marvelous Motor

Chandler Leads Where Performance Counts

WHEREVER men ask much of their automobiles the Chandler dominates. In the mountain countries it performs as many cars with larger motors do not perform. Climbing steep grades with the sharpest turns on high, creeping up and up at six or seven miles an hour on high without a miss or a skip or a sign of effort, where others shift, the Chandler holds for its driver the thrill of really satisfactory motoring.

In country roads of mud or sand, and in the congested traffic of crowded city streets, this same power and this same flexibility show their qualities.

The Chandler leads the whole six-cylinder group so distinctly because it is such a good car and so fairly priced.

There's no better time than NOW to place your order.
