FIVE NEGROES MUST GIVE LIVES AS PAY

LITTLE ROCK, Ark., Jan. 1.—(United Press).—Arkansas was ready today to exact its toll for the race rioting and lawlessness at Elaine last October which cost the lives of twenty-two negroes and whites.

The death watch goes on tonight in the cells of five convicted negroes, who sometime tomorrow will pay the penalty with their lives, unless last minute efforts to obtain stay of execution or other executive clemency are successful. President and Mrs. Wilson have been appealed to in an effort to halt the death sentences.

Those waiting today in the death chambers are: Ed Coleman, Ed Hicks, Rev. Joseph E. Knox, Frank Moore and Paul Hall.

Some time tomorrow their places in the death cells will be taken by seven other negroes sentenced to go to the electric chair January 2, a week later. They, too, were convicted of first degree murder in connection with the race rioting at Elaine. They are: Joseph Fox, Alfred Banks, Jr., William Woodrow, John Martin, Alfred Giles, Ed Ware and Frank Hicks.

Electricians today completed an inspection of the electric chair at the penitentiary here. State prison authorities have announced everything in readiness for the electrocutions. Only setting of a definite hour is necessary.

The electrocutions are expected to take nearly half the day. Authorities said they intended to speed up proceedings but with five men to be executed, it is anticipated the formalities will take more than three hours.

The order of the executions has not been determined. What method will be pursued in determining the first to

take the chair, has not been announced.

The five negroes will have separate death marches, according to present plans for the execution.

Penitentiary officials today took steps to prevent possible demonstrations in connection with the electrocution. For that reason no definite time has been set.

Guards about the penitentiary will be reinforced tonight. Tomorrow extra precautions will be taken by officials.

Few witnesses will be admitted, according to present plans. Those instrumental in the arrests, a few visiting county authorities and press representatives only will be admitted to the death chamber, it was indicated today.

In the death chant tomorrow seventy-five negro accomplices of the five electrocution victims will chime. They are serving sentences of from one to twenty years for their part in the insurrection. Among them will be Sam Wilson, sentenced to twenty years in the penitentiary for the murder of Corporal Luther Earls of the Fourth Infantry, Third Division, and Clinton Lee, another soldier. Eight others are serving twenty year sentences with Wilson.

Dave Reed, negro, is serving one year. Reed is the sole survivor of a negro detachment that attacked a machine gun held by soldiers from Camp Pike.

Cornelius Morgan, negro, is the only one of the indicted negroes acquitted. The twelve condemned men and those serving prison terms here are alleged members of the Progressive Farmers' Household Union of America. The union was widely organized. Numbers were heavily armed. All preparations were completed for an uprising against the whites. Wholesale massacres of white at a given signal were planned, testimony in the trial developed.

Thus far it does not appear that the soft drinks will give consumers anything that will enable the drink cure concerns to remain in business.

SALTS IF BACKACHE AND KIDNEYS HURT

Stop Eating Meat for a While if Your Bladder is Troubling You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and causes that sort of paralysis and lagginess. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water acids and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.
