NOTICES

Pianos and Player Pianos
 Just received some of the pianos that were ordered by August for Nov. 19-19 delivery. They were delayed by many other shipments of merchandise for almost sixty days, so hurry if you want one of these beautiful instruments for the starting of your children in music this New Year. Make that resolve now! Beginning this new year, I will give my child the advantage of a musical education, by giving her a piano to practice on and that is the most essential part, practice.

THE TOWN TURNS OUT

LACLEDE, Mo.—The whole town turned out to welcome "Jack" Ferring home. It was his first visit to the town of his people since he left for duty on the Mexican border and in France.

Citizens of Hermiston last week sent a communication to W. Boltons, division superintendent of the O.-W. R. & N. Co., asking for better railroad service at that place. They point out in the communication published by the Herald, that business is larger than ever before, but that fewer men are employed at the station and dispatch of business is very poor. A larger station is also suggested.
 Fifty-three head of high grade dairy stock were imported from the Willamette valley last week by ranchers residing near Stanfield. Nearly a dozen farmers were included in the purchasers, according to the Hermiston Herald.
 N. W. Mumford, of Freewater, has completed shipping four carloads of wineapples to Copenhagen, Denmark, the Times reports.
 The east end of the county has had its prayers answered and the county has appointed a "speed cop." Now the Freewater Times wants to know how the people are going to treat him.
 Hapild Phinney, son of Rev. Mark A. Phinney, of Weston, recently took first honors in a mathematical contest in North Central high school, Spokane, according to the Weston Leader.

Large plans are being made by the Milton Christian church for the coming year. Beginning Sunday, January 11, evangelist O. E. Hamilton of Mountain Grove, Mo., will begin a series of evangelist meetings which will continue for six or seven weeks. He will be accompanied by his wife, who is a talented musician and lecturer to women.
 The rock crew of the state highway construction force is now at work in the Wiley field beyond Weston, the Athens Press says, where the drilling is nearly completed. The highway passes through the Price, McIride and Wiley fields upon leaving Weston.
 The Milton Garage last week purchased the Mosgrove warehouse near the Milton Box company plant in north Milton. The building is located convenient to two railway lines and is suitable for the Milton garage people as an assembling and storage warehouse, the Eagle says.
