THE TIME TO BUY A FINE DRESS, SUIT, COAT, SKIRT OR THE LIKE IS NOW. THE GREAT READY TO WEAR SALE IS ON IN FULL BLAST. Right at the time of the printing of this advertisement there is still an immense stock of good things from which to choose. The Bargain Basement is fairly crowded with just the garments you want and the prices are typical of this Bargain Shop.

HERE ARE A FEW NEWS ITEMS OF THE GREAT SALE.

One Umatilla Family and two additional sisters of this family bought \$475.00 worth of Suits, Dresses, Coats, etc. They buy only the very best at any time. Some purchase. Wasn't it?

The Sale is still running well; contrary to all other sales the interest hasn't died out after but a few days of its life. They're still buying clothes.

Half Price Sales and so-called cheap stores offer no competition with this sale for the

prices are, in many cases, far below the half price mark. The high quality readily eliminates the so-called cheap stores from competing.

A Patron From Seattle says: "Isn't it a good joke, I left Seattle, where every thing is supposed to be reasonable in price and I have bought my Coat in The Bargain Basement in Pendleton, and I want to tell you that this coat is better than any I looked at in Seattle for three times the amount."

We have left for the larger women several fine suits in sizes 44, 46 and 48. Better hurry.

Misses Coats (sizes 12, 14 and 16), fine \$65 garments for the low price of \$32.89.

The Party Dresses are going fast, better shop today or tomorrow if you want one.

Such a Clean Up Sale of Skirts—Look ahead—the coming season will call for waists and skirts. Would you buy NOW and save for the future?

Every Merchant Knows the Market Prices as far in Advance as Eight Months and the future doesn't look any too bright for the woman who buys her spring or summer dress. This sale will help you to save.

One Woman Customer Said: "Why do you offer the Silk Dresses in this sale? The silk dress season is just coming on?" Answer—If you had as much money tied up in silk dresses as we have you would be equally as anxious as we are to turn those garments into cash. Too many silk dresses.

How Much Longer Will This Sale Last? That's the question. We're sure cleaning up, and we're cleaning up FAST. While there are loads of good things left still they can't last long. They're moving out at a great rate.
