

### How We Pick a Winner!

A longtime ago we learned that to fill our logical place in the community, we needed to do more than "sell groceries." We had to sell "service."

Perhaps you don't know it, but we feel a keen sense of responsibility for everything we sell you. We feel it is our duty to KNOW all there is to be known about the products on our shelves. So, when something new comes on the market we test it. Test it in our own homes. That's ONE way we render SERVICE.

A striking example of this is RYZON, The Perfect Baking Powder. Now, we were among the first to realize that if RYZON was all that it was said to be, we ought to know about it.

And now we do.

We know so much about it that we recommend it to you as the dependable, economical baking powder. We sell you your flour, eggs and other ingredients and we want your baking to be successful—there is no better way of insuring this, we feel, than by selling you RYZON.

It is 40¢ per pound, and we would like to tell you something about the RYZON Baking Book which is a complete manual of baking, edited by Marion Harris Neil, and comprising 200 tested recipes.

### No Great Act of Heroism Required

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual.

The Best Cough Medicine  
When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Columbus, Ky., says: "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."

Don't You Forget It.  
Beware in mind that Chamberlain's Tablets not only move the bowels but improve the appetite and strengthen the digestion. They contain no poison or other digestive ferment but strengthen the stomach and enable it to perform its functions naturally.
