January the 17th

Benjamin Franklin's birthday is the date set to begin special thrift activity. Your Uncle Sam thru the Treasurer Department says: "Have a special National Thrift Week from January 17th to 24th inclusive."

So let us begin in real earnest on January the 17th, to help our government, to help our country, to help ourselves, by economizing, thrift and saving: Make it a special object on that day or any day during the week following to add to your Savings Account or open a new one.

Slightly Stronger Tone

In Coarse Grain Trade Today.
A slightly stronger tone is apparent in the coarse grain trade today.

The inward effects of humors are worse than the outward. They endanger the whole system. Hood's Sarsaparilla eradicates all humors, cures all their inward and outward effects. It is the great alternative and tonic, whose merits has been everywhere established.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is aching; if what you eat sours and forms acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before eating more food.

To feel like young folks feel; like you felt before your blood and muscles became loaded with body impurities, get from your pharmacist a quarter-pound of limestone phosphate, which is inexpensive and almost tasteless.

Men and women who are usually constipated, bilious, headachy or have any stomach disorders should begin this inside bathing before breakfast.

with corn up a quarter and oats up a half dollar. Barley is at the same price level, with no trading. Corn today is offered at \$59.25 for immediate delivery and a dollar less for future delivery. Oats are at \$61, \$62 and \$62.50. Mill feed went to \$44.75, an increase of 75 cents over yesterday's figures.

BLUE BIRD BRINGS MORE "TOP KNOTS" THAN "TOP NOTES"

BY MARGARET ROHE

(Written for the United Press)

Belinda's so befuddled

She wears 'em everywhere

On evening wrap and gown and fan

And even in her hair

That she is also featherbrained

But follows, I declare.

NEW YORK, Jan. 16.—If the recently widely heralded premiere of

"The Blue Bird," as a grand opera

didn't bring out many fine musical

themes at least it brought out many

fine feathers. There were more top-

knots in the audience than topnotes

on the stage and she was a sorry

dame, indeed, much bluer than the

famous Masterlinch fledgling, who did

not boast at least one feather in her

hair not to mention a perfect flock

of feathers on her gown, her wrap and

a happy handful in the form of a fan.

Some of the head dresses were most

amazing. One a mass of vivid green

short ostrich plumes covered the en-

tire back of the wearer's head and

would have turned the queen of the

Hottentots a matching green with

Paradise in their natural tones

vibrated gorgeously above the un-

ulated waves of a few opulent heads

and with arrogant sangfroid the

bizarre feather from the tail of Juno's

favorite fowl waved in all sufficiency

from jeweled bands round several

stunning brows.

Just the Barbaric Touch

Indeed the peacock is quite a pam-

pered pet of fashion these days and

smart females have sanctioned Juno's

choice with unanimous accord. One

greenly blue feather from its gorgeous

tail adds just the effective and bar-

baric touch to a costume oriental and

when they are bunched into a fan

there is an eye of admiration for every

eye.

Just to further sanction the peacock

feather as one of the rightful first fine

feathers of the season we are using

it to write full many an epistle attach-

ed to a good stub pen. Where the

quill feather of many hues used to do

EVERY SCHOOL TEACHER IN SPOKANE IS GIVEN \$400 ADVANCE IN PAY

SPOKANE, Jan. 16.—Every School teacher in Spokane was given a flat advance of salary of \$400 for the school year of 1920-21, by unanimous action of the school board last night. A large delegation of teachers was on hand, prepared to support the remarks of J. G. MacKenzie, chairman of the teachers' council, who presented a resolution and spoke briefly.

This will raise the minimum salary of grade teachers in Spokane to \$1250 a year, maximum to \$1700, and will raise high school teachers to a \$1100 minimum and a \$2050 maximum. Grade salaries now run from \$850 to \$1200 and high school salaries from \$1200 to \$1650.
