NOTICE OF STREET IMPROVEMENT

Notice is hereby given that at a regular meeting of the Common Council of the City of Pendleton, held on January 7th, 1920, the following resolution was adopted:

WHEREAS

WHEREAS, the City Surveyor of the City of Pendleton did on the 7th day of December, 1919, under direction and by requirement of the Common Council of the City of Pendleton, file in the office of the Recorder of the City of Pendleton, plans and specifications for an appropriate improvement of the following named street in said city:

Matlock street from the north line of Riley street to north line of Jackson street, together with the estimates of the cost of said work and the probable cost thereof with a statement of the parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, which each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement, and

WHEREAS, the council has examined such plans and specifications and estimates and found the same satisfactory and the estimates therefor to be in accordance with the probable cost of such work, and

WHEREAS, the property recommended by the City Surveyor to be included within the boundaries of the district benefited is in the judgment of the council to be done and the improvement of the following named street in said city:

Matlock street from the north line of Riley street to north line of Jackson street, together with the estimates of the cost of said work and the probable cost thereof with a statement of the parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, which each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement, and

WHEREAS, the council has examined such plans and specifications and estimates and found the same satisfactory and the estimates therefor to be in accordance with the probable cost of such work, and

WHEREAS, the property recommended by the City Surveyor to be included within the boundaries of the district benefited is in the judgment of the council to be done and the improvement of the following named street in said city:

Jefferson street from the north line of Wilson street to north line of Martin street, together with the estimates of the cost of said work and the probable cost thereof with a statement of the parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, which each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement, and

WHEREAS, the council has examined such plans and specifications and estimates and found the same satisfactory and the estimates therefor to be in accordance with the probable cost of such work, and
