Should women be put on trial for their faults?

Should women be put on trial for their faults? And should they be tried by men? Are their so-called weaknesses due to the mediocre demands of men? Do women know how to stick to ideals that are not social assets? What is the type of girl that invariably becomes an old maid? Do men put a premium on virtue?

These are a few of the questions that are discussed and answered in a tremendously stimulating article called "Supply and Demand." Every woman in America owes it to herself to read it.

This'll make you laugh for thirty minutes

Their humorous escapades combine the glow of gentle humor and sympathetic reminiscence. "Brite and Fair" is by Judge Henry A. Shute, the author of "The Real Diary of a Real Boy."

The real yellow peril is the Japanese kimona

The causes of divorce are many. One of them, however, is the use of the kimona with its frequent, unattractive carelessness. In this article by Anne Shannon Monroe, the writer outlines fearlessly some of the very simple causes for marital estrangement—causes which could quite easily be removed for the betterment of the human race.

How To Keep in Good Condition

Sound nerves, a clear head, good digestion, strength, endurance and general health depend upon clean blood. If the kidneys and bladder do not properly perform their functions, the blood cannot be clean and pure, for these organs filter and cast out the waste matter, impurities and poisonous acids that cause nervousness, rheumatic pains, backache, languidness, sore muscles, swollen joints, stiffness, puffiness under the eyes and other weakening symptoms.

WAS RELIEVED AT ONCE

"I was afflicted with kidney and bladder trouble for nearly 5 years. Had one very bad spell about 5 years ago. Was confined to bed for 4 or 5 days, unable to turn without help. I commenced using Foley Kidney Pills and can truly say I was relieved at once. I take pleasure in recommending your kidney pills to all who have kidney trouble." John Heath, Michigan Bar, California.

FOLEY KIDNEY PILLS

soothe, strengthen, heal overworked, weak and diseased kidneys and bladder. When these organs are working properly, the blood is cleansed and purified, appetite returns, good digestion follows, refreshing sleep is possible, health and strength come again. They have brought relief to thousands of men and women who thought old age was coming on before it was due.
