How Far Should a Good Truck Run

That question cannot be answered yet. For the White Trucks that are answering it are still running. We can prove that they have gone 500,000 miles and are still running, so it is impossible to answer the question how far will they run.

DEMOCRATIC WHEEL HORSES OF JACKSON WOULD BE DELEGATE

MEDFORD, Jan. 20.—J. Frank Wortman, farmer and banker of Medford, and long a Democratic wheel-horse in Jackson county, has announced his candidacy as one of the 10 state delegates from Oregon to the Democratic national convention at San

Francisco. And he will have the solid party backing from this county. The argument will be used in his behalf that Jackson county for many years has returned a good Democratic majority in every presidential campaign.

PARIS, Jan. 19.—The Italian railway unions voted by a big majority to call a general strike today, according to a dispatch.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar. If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphated hot water cure to rid your system of toxins and poisons.

HOT WATER FOR SICK HEADACHES

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headaches are caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins sucked into the blood excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilid aspirin or the bromides, which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast will not only wash these poisons from your system and cure you of headache, but will cleanse, purify and freshen the alimentary canal.
