Cuticura Is The Soldier's Friend After long hours of hiking or guarding when his feet are swollen, hot or blistered, the soldier will find wonderful relief in a Cuticura Soap bath followed by a gentle anointing with Cuticura Ointment. These fragrant, super-creamy emollients soothe and heal eczemas and rashes, stop itching, clear the skin of pimples, the scalp of dandruff and the hands of chaps and sores. Also for cuts, wounds, stings of insects, sunburn or windburn.

Tells Druggists Not to Take Anyone's Money Unless This Delightful New Vanishing Cream Quickly Shows a Decided Improvement. Buy It Today at Our Expense. Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from a skin and the most heated atmosphere will not produce the least shininess or greasiness of the skin. No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crow's feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms, caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream. To prove this to your complete satisfaction, get a small quantity today with the understanding that the purchase money will be cheerfully refunded at night before retiring in all that is necessary."
