From Walla Walla today comes the following year his parents took him to Petrograd for further study under Professor Auer. An amazed public heard his Petrograd debut when Heifetz was but nine years old. Immediately the name "Heifetz" became magic; thousands crowded to hear him in a score of Russian cities. Concert managers in Germany, Hungary, Denmark, Sweden and Norway sought to engage the phenomenal genius and shortly before the war broke out Heifetz appeared in all those countries.

His coming to America in 1917 was a memorable event in the country's musical history. He is now playing here for the third season.

Saving Time At the Dentist's

PEOPLE with little time to spare can get their dental work done promptly in offices using the E. R. Parker System. The old idea that you had to do a lot of waiting, make a lot of visits and go through a lot of professional red tape, is all wrong. That idea is what made old-style dentistry so costly and unsatisfactory.

Under the E. R. Parker System your teeth are examined without delay by an experienced dentist, who tells you at once what work your teeth need and what the price will be for doing it. If you decide to have your teeth cared for, the work can be done immediately.

The work then proceeds without a single useless postponement, and is completed as soon as good dentistry can possibly be done. The result is not only a saving of time, but of money as well. And, best of all, you will be satisfied, for E. R. Parker System dentists are just as particular as you are. Examinations and advice free.

PROMINENT LA GRANDE BANK LEADER IS DEAD

LA GRANDE, Or., Jan. 22.—Fred J. Holmes aged 53 years, president of the La Grande National bank and one of Union county's foremost citizens, died at his home yesterday from heart trouble.

Mr. Holmes came to Union county with his parents about 1868. He was graduated from the Hill Military academy and engaged in business in Island City, buying a drug store there from Mr. J. W. Hill. He later became cashier of the First National bank of Island City and bought the controlling interest in the M. & M. company, which he has retained ever since. About 14 years ago fire destroyed his interest in Island City and he moved to La Grande. He was made president of the La Grande National bank in 1911, being re-elected to this position only a few days ago.

Mr. Holmes was a member of the Elks and a prominent Mason, taking an active part in getting Shriner's initiation here. He was a leading democrat and attended the last democratic convention as a delegate from Oregon. He also was chairman for the Wilson club in this county and civil administrator during the period of the war, giving his entire time to the work.

Mr. Holmes leaves his widow, a sister, Mrs. Adelaide McKennon of Clarksville, Ark.; two brothers, William H. of Enterprise, and E. A. of Portland.
