Goodyear Leadership— and Tires for Small Cars

Enormous resources and scrupulous care have produced in Goodyear Tires for small cars a high relative value not exceeded even in the famous Goodyear Cords on the world's highest-priced automobiles.

In addition to its larger sizes, Goodyear manufactures an average of 20,000 small car tires a day in the world's largest tire factory devoted solely to the 30x3-, 30x3 1/2-, and 31x4-inch sizes.

Last year more small cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

Their extreme worth is available for your Ford, Chevrolet, Dort, Maxwell, or other small car, at the nearest Goodyear Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

Free Yourself From The Pangs of Rheumatism

The Right Treatment Will Break Your Shackles.

You who are afflicted with Rheumatism know from experience just how excruciating the pangs of the disease are. You know also, if you have had rheumatism for any length of time that there is no real relief to be expected from the use of liniments and lotions.

Rheumatism is a stubborn disease, and its pangs and pains cannot be wiped out as if by magic. A disease that is so full of torture and renders so many people absolutely helpless, is a deep-seated one; it is not on the surface, hence it cannot be reached by external surface remedies. Lotions, liniments and ointments applied to the surface may in some cases deaden the pain for the time being, but until you attack the disease at its foundation, you are making no progress toward a cure. Many forms of Rheumatism are caused by millions of tiny germs that infest the blood, and until the blood is absolutely freed of these germs, there is no real relief in sight. In fact the longer you delay treating the disease through the

blood, the further you are getting from ridding yourself from the disease. And because so many people treat the pain, and not the disease itself, is one reason why Rheumatism increases in severity year by year. The most satisfactory remedy for Rheumatism is S. S. S., because it is one of the most thorough blood purifiers known to medical science. This fine old remedy cleanses the blood of all impurities, and is a sure antidote to the germs of Rheumatism. Being purely vegetable, without a particle of mineral or chemical in its composition, it works by eliminating and forcing out of the blood all impurities, acting as a tonic to the entire system at the same time. It has been used for more than fifty years, and scores of sufferers from Rheumatism give it unstinted praise.

S. S. S. is sold by druggists everywhere, and any of them will tell you that it is a thoroughly honest and reliable old remedy. You are invited to write our medical department for full information and advice about the treatment of your own case, for which no charge is made.
