NEWS OF THE COUNTY OFFICES AND OFFICERS

Time for Appraisal Extended.

An order was signed in probate court today extending the time for appraisal in the estate of Charles W. Harder until March 5, 1920.

Three Actions Dismissed.

Dismissals were entered today in the cases of A. P. Michael vs. Roy Wyatt; I. L. Temple vs. Thomas Parlow and Marrietta Miles vs. Wallace A. Miles.

Ten Day Romance Fails.

A chance acquaintance made on a train in Pennsylvania and culminating in matrimony 10 days later proved not to be "love at first sight" for John H. Schaeffer. He filed action for divorce today from Aulden D. Schaeffer, who, he says, deserted him in August, 1918, after they had been married about eight months. He made diligent search for her but has never heard from her since and seeks separation. He is represented by Peterson, Bishop & Clark.

Woman's Temper Too Violent.

Charging his wife, Josie E. Hartwell, with an ungovernable temper that made his married life constantly miserable, I. C. Hartwell today brought suit for divorce. He alleges that she often attempted, while in a fit of anger, to do him bodily harm. The plaintiff is represented by James A. Fee.

Suits to Collect Old Note.

Joseph Hixley is plaintiff in an action started today to collect \$1125 and 10 per cent interest from Jan. 31, 1914, from Charles E. Hall. The money was secured by a promissory note. The plaintiff is represented by Halsey, Haley & Stelwer, and H. J. Warner.

GIRL ALLEGES, ACCUSED DENIES HIS PROMISE IS BROKEN; JUDGE PUZZLED

PORTLAND, Jan. 29.—Denial that he broke off his engagement to Miss Eleanor Volheim on the day she filed her \$32,000 breach of promise suit or at any other time was voiced by Gall Reinhold, Portland jeweler, during the taking of a deposition before Presiding Judge McCourt yesterday morning. He also denied that the wedding date had been set for Thursday, January 22, as averred in the complaint.

Sleeps Any Old Way Now.

"I am 50 years old and never was sick until 8 years ago when I got stomach trouble. I have spent a fortune for medicine which did not cure. I kept on suffering and getting worse. A fellow worker told me about May's Wonderful Remedy. After taking three doses I felt like a different man; before making it I could not lie on my back or right side. Now I can sleep any old way." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists everywhere.

Everyone Should Drink Hot Water in the Morning

Wash away all stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, indigestion or gas, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of Limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract before eating more food. Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphate hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

Just Yellow Mustard for Backache, Lumbago

Grandmother's old mussy mustard plaster or poultice generally brought relief all right, even in the severest cases, but it burned and blistered like blazes.

"Heat eases pain" reduces the inflammation and scatters congestion but you'll find that while Begg's Mustardine, made of true yellow mustard and other pain destroyers is just as hot as the old fashioned plaster it is much quicker, cleaner and more effective and cannot blister.

It's a great external remedy—just rub it on wherever aches, pains, inflammation, congestion or swelling exists and in a very few minutes the relief you have longed for surely arrives because "Heat eases pain." 20 and 50 cents.
