WINDOW CRASH GIVES CLUE TO BURGLARS

RAYMOND, Wash., Jan. 29.—Bell Bros' hardware store was robbed last night about 8 o'clock by two men, who looted the showcases of eight automatic revolvers and some ammunition. Stanley Bell, while closing the store, heard a slight noise in the rear. When he found no one on the lower floor he started to search the storeroom overhead. He was interrupted by the crash of breaking glass as the men made their escape from the lower floor. The men separated, but the hand of one of them had been cut by the glass and he was easily traced by the trail of blood. The crowd which took up the chase caught Jack Bagby, 33 in the basement of the Commercial hotel. Bagby had been stopping at the Commercial for the past week, coming here from Portland, Or., to look for work. His father who last week purchased the Carl Mores place in Raymond, had been staying with him. Bagby refused to divulge the name of his companion. All of the guns and ammunition were recovered from the boiler room of the Commercial hotel where Bagby had concealed them. Bagby is an convict on parole from Walla Walla state prison.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take Glass of Salts If Your Back Hurts or Bladder Bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizziness, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is innocuous, cannot irritate, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

STONE AGE MARRIAGE IDEA DOESN'T SUCCEED WITH WINDY CITY DUO

CHICAGO, Jan. 29.—George Burlingame, 22, is wondering if the stone age marriage custom always worked. It didn't for him.

He drove Margaret Creger to the marriage license bureau today with the aid of a revolver. She hesitated, stammered and then blushed when the clerk asked her name. Then the clerk sent her home to get proof that she is 18 years of age.

Arriving at home she called the police and Burlingame was taken to the police station.

"Any man with pep would have done what I did," he told the officers. "Anyway, the revolver was fixed so it wouldn't shoot."

INDICTED AS A "RED"
