

ALTA SUNDAY AND MONDAY

"Lombardi, Ltd." Gives Best Lytel Wide Scope

Best Lytel again give proof of his versatility in casting on the screen the character of Tim Lombardi, proprietor of the grand Old Avenue shop of "Lombardi, Ltd." at the Alta Theatre. The story, adapted from the original stage play by Frederic and Phyllis Hutton, goes much further than mere characterization. It is one of the most out-of-the-ordinary track romances seen in many a day, and one that has been excellently produced.

Time must be taken out of it here and now to give due honorable mention to the girls who enacted the parts of mannequins in the modiste's shop. The name of the author of the play, that of the director and several others were flashed on the screen. But we think that even above those should have come the name of the genius who gathered together these mannequins. He should furthermore be presented with a medal suitable for reward of one who has performed a great service.

The story of "Lombardi, Ltd.," revolves about the name—that of a smart modiste's shop, where Tito Lombardi, whose genius in designing women's gowns has at least brought him fame, carried on business in his own temperamental way. Mr. Lytel has done wonders with this part, portraying Lombardi with all the Latin enthusiasm and spirit yet never for a moment striking a false note.

The supporting cast is excellent especially Alice Lake, the star's leading

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger tips. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

ARCADIE SUNDAY AND MONDAY

WALLACE REID HAS SENSATIONAL FIGHT IN NEW PHOTOPLAY

Wallace Reid, Paramount star, has had some thrilling and hard fought battles in his numerous Paramount and Arctcraft pictures, but what it conceeded to be one of the most sensational fights ever staged in a screen production is shown with vivid realism in "The Valley of the Giants," his new Paramount - Arctcraft picture, which will be shown at the Arcade Theatre next Sunday.

Colonel Pennington, a scheming and unscrupulous politician in the town of Sequoia, in the heart of the big Redwood Forests of California, has bribed the mayor of the town to vacate a franchise which he had previously granted to Bryce Cardigan, which party played by the star, to build a railroad leading out of the Valley of the Giants.

Angered by this underhanded work, Bryce takes his workmen and in the middle of the night lays a railroad directly across the tracks of Colonel Pennington's road. When Pennington discovers this he calls on his illiterate henchmen, a crowd of rough lumbermen and the excitement starts.

The ensuing fight is said to be one of the most realistic ever screened. The picture is based upon Capt. Peter R. Kyne's famous novel of the same name and was directed by James Cruze. A capable cast supports the star.

A warm rain fell Saturday night

and Sunday taking all the snow off the valley except a few drifts, and the frost is fast leaving the ground. We now have very muddy roads.

The ice has raised in the creeks, and a number of ice jams have been reported, one being just above the bridge across Camas creek near the mouth of Cable creek. Those who have seen it say that without a doubt it will take the bridge, as the jam extends so far above the bridge that there can be nothing done.

Clarence Enley was in town Sunday after being confined to his home on Bridge Creek, for several weeks with smallpox.

The bridge across Desolation creek near Dale was washed out a few days ago and the mail, between Ukiah and Long creek is tied up for the time being. The water being very high is still difficult to replace it now. Phil Falschanks proprietor of the line, was in Ukiah when the bridge went out and is doing everything he can to get connections through. Abe Martin driver for the Ukiah end of the route was caught on the Long Creek side with nothing to do but care for his horses.

William Allison who has been in Ukiah for the last week left for his home at Oriental Wednesday.

Mrs. Jacob Bern, died in Portland a few days ago at an advanced age. Mr. and Mrs. Bern at one time owned the Tradecott farm and run a big dairy here for many years and are well known here being among the early settlers of Camas Prairie.

Mr. and Mrs. Bert Keeney and infant son of Dale are ill with influenza and Mr. Keeney phoned to Ukiah that they needed help very badly but the bridge being washed out near there, no one from this side can reach them.

Mrs. Walter McGrier from the Teel saw mill has been visiting her sister Mrs. Mabel Case of Ukiah for the last week.

Miss Thelma Scroggins of Long Creek is in Ukiah for a few days, having been delayed here on account of the washout between here and Dale.

Bert McLaughlin left town today for the J. Moore ranch to assist them during their illness.

How Do You Feel—When You Stoop?

Slow and sluggish movements, tired action, backache, rheumatic pains, stiff joints or sore muscles indicate that something in the human system is out of order. In most cases, these symptoms are the result of waste matter or poisonous acids being left in the blood by the failure of the kidneys to properly do their work of filtering and casting out impurities from the blood.

STOPPED HIS BACKACHE "I am 37 years old. I tried Foley Kidney Pills, thinking I needed them—as my back was hurting and aching all the time. I got so bad that when I would stoop over in the store while at work I could hardly raise myself up. I took a bottle of Foley Kidney Pills, my backache was entirely gone and I felt good and strong. I think they are the greatest remedy for backache and irregularities of the bladder."—W. P. Tolson, R. F. D. 1, Washington, Pa.

FOLEY KIDNEY PILLS have been used by young, middle-aged and old with complete satisfaction. You will find them different from all other remedies. They act quickly and surely and have given relief in cases of years' standing. If you have come to suspect your kidneys are weak, disordered or inactive, you should act immediately.
