Sunny Weather Welcomed.
Pendleton is rejoicing in a change of weather today which is said to be favorable to the recovery of influenza patients. The day is clear and bright and the temperature is at 50, one of the warmest days experienced for some time. Last night's rainfall was .01.

Will Attend Meeting.
W. W. Cryder, Umatilla forest supervisor, left this morning for Pilot Rock where he will attend a meeting of the Blue Mountain Cattle and Horse Breeders Association. Applications for range and feed conditions will be discussed at the meeting. Sam J. Nelson, of Pilot Rock is president of the association.

Census Not Closed as Thought.
Checking of the government census in Pendleton has not been stopped as was first thought and slips are coming back both to the Pendleton Commercial Association and to the enumerators who took the count last month. Several slips were received this morning to be checked over and it is still considered probable that a fairly complete showing will be made.

Junket Trip in April.
Proposed junket trip of the Portland Chamber of Commerce will be taken sometime in April, according to a letter received this morning by the local association. Pendleton invited the Portland men to come during May as the counties in this part of the state are at their best about that time. No evident consideration of the local suggestion has been taken. The business men will go as far as Boise.

County's Two Bison Counted.
In the government census now being taken, the number of bison in the country is being determined. Secretary C. H. Marsh, of the Round-Up association today filled out a card listing the association's big buffalo which is displayed before the crowds each year. There is another bison in the county, belonging to Jim Allocott, an Indian on the reservation.

Installs New Machinery.
Rudd the tailer, today completed installation of a deodorizer for cleaning in connection with his equipment for cleaning and drying clothes, said to be the only one of its kind in the state outside of Portland. The machine is intended to remove all odors from drying clothing and eliminate the old familiar smell of gasoline in articles freshly cleaned.

A. for Oregon, Washington and Idaho will be here for the opening, as well as other officers. Special program will be presented by the Sunday school children at the services.

Meet With Good Response.
The recruiting party from Pendleton Post, American Legion, returned last night from a day's trip to Pilot Rock with very satisfactory reports. The men not only received applications for membership from a large number of ex-service men inthat region, but were promised that between 75 and 100 would attend the high jinks and smoker to be staged in Pendleton on the night of February 28, at the close of the week's membership campaign. The party consisted of Allan Bynon, Dr. C. W. Lassen, John Joerger and Lyman Rice.

Lyceum Campaign Soon.
With the first number of the Pendleton high school Lyceum course coming during this month it will be necessary to reopen the campaign for the selling of season tickets. When school opens Monday work will be started on the campaign and every effort made to put the thing across in short order. The "Rooks" are ahead in the contest for "queen" but the other classes are also making plans to win.

Assault Case on at Echo.
The case of Jacob Geissler vs. Claude Finley is being tried before Justice W. H. Crary at Echo today. It is an assault and battery case, Finley, it is alleged, having struck Geissler across the face and head with a hammer, several of Geissler's teeth having been knocked out by one of the blows. The defendant has retained attorney I. M. Petetson to represent his case and Deputy District Attorney C. Z. Randall is prosecuting. He went to Echo on No. 1 this morning.

Getting Soldiers' Records.
The Red Cross office, through Miss Virginia Todd, secretary, is endeavoring to get the records of the 1462 Umatilla county ex-service men so that medals can be presented by the American Legion sometime in March. Miss Todd says it is difficult to secure the records, as statistics show that 30 per cent of the ex-service men did not return to their former homes. One ex-service man returned the blank, which announces the presentation of the medals with the words, "When do we eat?" penciled upon the margin of the paper.

Reports Coming from Farmers.
Hermiston farmers who are members of the milk testing association are sending in records which give a complete report of the name and breed of the cows, the pounds of milk, the feed consumed, the butterfat, etc., for the month. The records are entered in a dairy herd book at the office of Fred Bennion, county agent, and each cow is given a double page. The Umatilla creamery is agitating the formation of an organization similar to Hermiston's for the benefit of Umatilla men.

New Invention Sent on 30 Days' Trial Without Expense to You.

Simply send me your name and I will send you my new copyrighted pantura book and measurement blank. When you return the blank I will send you my new invention for rupture. When it arrives put it on and wear it. Put it to every test you can think of. The harder the test the better you will like it. You will wonder how you ever got along with the old style cruel spring trusses or belts with leg straps of torture. Your own good common sense and your own doctor will tell you it is the only way you can ever expect a cure. After wearing it 30 days, if it is not entirely satisfactory in every way—if it is not easy and comfortable—if you cannot actually see your rupture getting better, and if not convinced that a cure is merely a question of time, just return it and you are out nothing. Any rupture appliance sent on 30 days' trial without expense to you is worth a trial. Tell your ruptured friends of this. EASYHOLD CO., 2161 Koch Bldg., Kansas City, Mo.
