Good Prices Holding For Cattle and Sheep.

Six carloads of livestock, the same as on the previous day, arrived for the Thursday market at North Portland. General trade conditions were steady. There was a fair run of hogs from Willamette valley points during the day. No stock arrived with a diversion rate and for that reason killers were not willing to pay the extreme price.

General hog range:
Prime mixed \$15.75 @ 16.25
Medium mixed 15.25 @ 15.75
Rough heavies 11.00 @ 11.25
Pigs 13.00 @ 13.50
Situation in the cattle trade was steady. Demand was good for the limited stocks that came forward and prices held in tact at the former range.

General cattle range:
Best grain steers \$12.50 @ 13.00
Choice steers 11.50 @ 12.00
Good to choice cows 10.50 @ 11.50
Medium to good steers 9.50 @ 10.50
Fair to good steers 8.50 @ 9.50
Common to fair steers 7.50 @ 8.50
Choice cows and helpers 9.50 @ 10.50
Good to choice cows and helpers 8.50 @ 9.50
Medium to good cows and helpers 7.50 @ 8.50

A Sheep Ranch

We have an ideal sheep ranch for sale. Better investigate it, for there is a fine opportunity in it. The story goes something like this:
140 acres irrigated land.
1600 acres wheat land—partly seeded to fall wheat.
2540 acres grazing land—fine pasture.
4500 acres leased land. Making a total of 9,780 acres in all.
This ranch will winter two bands of sheep, besides feeding two to three thousand mutton for market.
Figure what this place ought to be worth; then come and see us about it. We can sell it for \$50,000.00 and make reasonable terms.

DETECTIVES INVOLVE NEGRO IN DRUG SALE

PORTLAND, Feb. 12.—Two city detectives who trafficked in cocaine and induced him to attempt the sale of five ounces to a druggist a month ago, caused the sentence today of John L. Lowe, negro, to 30 days in jail.

"If you think that imposing this jail sentence you are going to make me tell the names of the detectives, you are mistaken," Lowe said, after Federal Judge Bean had pronounced sentence.

He pleaded guilty to the charge of selling the drug, but asked leniency because he was the tool of others.

"These detectives called me up on the telephone and asked me to meet them," he told Judge Bean. "They sent me into a drug store to make the sale, but the druggist told me to come back later. When I returned, I was arrested."

The cardboard package in which the cocaine was contained is similar to those used at police headquarters for storing prisoners' property. The detectives are known, but lack of evidence prevents their arrest. It was said by federal officials.

PRINCE OF WALES ENJOYS ROBBER DANCE IN LONDON

LONDON, Feb. 12.—"Robber" or "Paul Jones" dances are being introduced in some West End clubs and dancing halls since the Prince of Wales returned from the United States where he gave this form of dance royal approval by waltzing, one-stepping and fox-trotting with no less than 50 partners at one ball.

As the name indicates, in "robber" dances, male members of the party who happen to be without partners are privileged to "cut in" on any of the

more fortunate men who have partners. In England it has been the custom for dancers to have not more than three or four partners during an evening—and more frequently only one. But Londoners are trying out the American idea and seem to like it.

YOU NEED NOT SUFFER FROM CATARRH

But You Must Drive It Out of Your Blood.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing difficult breathing and other discomforts. Real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which acts on the catarrh germs in the blood.

22,000 Essex Now in Use

A critical public has judged the Essex. In the past year it set a world's sales record. More than \$35,000,000 was paid for 22,000 Essex cars now in service.

That shows how men wanted what Essex offered. Now Essex proves the accuracy of motordom's judgment.

Let the official tests speak: On the Cincinnati Speedway a stock chassis Essex made a new world mark of 3037 miles in 50 hours, under observation of the American Automobile Association.

With other trials the same Essex ran a total of 5870 miles in 94 hours, 22 minutes driving time, averaging over a mile a minute.

Still another Essex phaeton holds the world's 24-hour road mark of 1061 miles made in the face of a blizzard over snow-covered Iowa country roads.
