Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and even sciatica and foot but it's a nasty affair and generally blisters. Heat is absolutely necessary if you want permanent relief. Dezy's Mustardine, made of true yellow mustard with other pain relieving ingredients added is just as hot, is cheaper, cleaner and more effective than the old-fashioned poultice or plaster and cannot blister.

Besides rheumatic pains and swellings Dezy's Mustardine is speedily effective for lumbago, backache, neuritis, pleurisy, bronchitis, sore throat, colds and all aches and pains because heat causes pain—50 and 60 cents at druggists or by mail, S. C. Wells & Co., LeRoy N. Y.

hall in its charmingly gala attire must have been a joy for Dan Cupid to behold, for great fantastic, frilled and flower-decked valentines lined the walls and high over head a veritable profusion of bright blossoms were festooned in a lattice work frieze. Great "books" were opened against the walls giving dancers a glimpse into gold lettered pages where sonnets had been penned by the sly little lover.

The immense heart banked the central elevator while cupid images hovered airily nearby, and hearts and hearts galore were outlined beneath the flowered lattice.

A gay feature dance was introduced, two woe and dainty lassies, Miss Janet La Fontaine and Miss Margaret Snyder, appeared with great baskets of brilliant cap favors.

Luncheon was dispensed from an archway bowser and billows of "annouciation" caught the eye of the dancers even to the farthest corner. Scores of additional guests enjoyed an informal evening in the balcony and from an adjoining alcove a buffet supper was served during the final hours.

The Tea hours for which Mrs. Kenneth McTear is to be hostess tomorrow have been extended from 2 until 5 o'clock, when friends of Mrs. E. T. Avison are bidden to call at the McTear home. GOURMAND HAS NO REDRESS ON PROFITEER

VIENNT, Feb. 12.—A gourmand has no redress against a profiteer, according to a decision handed down here. H. Zimmermann, government official charged profiteering against a restaurant, but hearing that he ordered soup, roast beef, roast veal, a pork chop, half a pheasant, a quarter of a fowl, two sausages with sauerkraut, three apple tarts and a fig pudding, the judge dismissed the case.

FORMER RESIDENT IS LAID TO REST HERE

Rev. A. L. Thoroughman, aged 68, formerly of Pendleton, was buried here yesterday, with President H. S. Shangle, of Columbia College and Rev. R. E. Gornall, pastor of the Methodist church, officiating. The body was laid to rest in a grave beside that of Mrs. Thoroughman, who died 19 years ago. Rev. Thoroughman was born August 7, 1852, near Tipton, Haute, Indiana. He joined the Southern Methodist Church in Pendleton some 25 years ago and later began his ministry in this county. He became prominent in his church work and was pastor in Spokane, Walla Walla and other important charges in the northwest and was presiding Elder over a period of ten years in Oregon, Washington, Idaho and Montana. In 1914 he was delegate to the General Conference of his church, and has always occupied a high place in the confidence and esteem of the people of his denomination.

Trained Nurse Advises People
"I was a great sufferer of stomach and liver trouble and cannot say enough in praise of May's Wonderful Remedy. It has done so much for me and I am recommending it to other sufferers. I was a trained nurse in Marine and other hospitals years ago, therefore many come to me for advice. I certainly received great benefit from May's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One does well convince or money refunded. At all druggists everywhere.

GLASS OF SALTS IF YOUR KIDNEYS HURT
Eat less meat of you feel Back-achy or have Bladder trouble.
Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eating of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated with a white film, you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste, get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
