**Brownell in Redmond.**  
Cyril G. Brownell, of Umatilla, is in Redmond in the interests of the General Wood campaign committee. Efforts are being made by the central Oregon towns to secure a visit of either the Roosevelt or General Wood special trains when they reach Oregon in March and April.

**Purchases Oakland Cars.**  
Dr. Francis Adams, of Hermiston, and Herbert E. Green, of this city, are driving new Oakland cars purchased from the Umatilla Motor Company.

**H. Carr on Recruiting Duty.**  
H. Carr, of the local office for navy recruiting, is in the east end of the county on recruiting duty.

**Will Return Tomorrow.**  
Stanley Jewett, of the local office of the U. S. Biological Survey, will return tomorrow from an inspection trip in Deschutes county.

**Will Return March 6.**  
W. D. Chamberlain, deputy income tax collector, will return to Pendleton March 6. He is in Echo on business connected with the gathering of income tax returns.

**Mother in Kansas Ill.**  
William Dale left on No. 4 this morning for his old home in Kansas, called by the serious illness of his mother.

**More Smallpox Than Flu.**  
The flu epidemic has virtually run its course, according to John Halley Jr., who has been acting as special quarantine officer. There are now more new cases of smallpox than flu being reported. Less than one case of influenza a day is the record of the past several days.

**City Recorder Indisposed.**  
Thomas Fitz Gerald, city recorder, was not at his office this morning, being ill at home with a cold. John Halley Jr. handled the office during the judge's absence.

**School Election on Today.**  
The school election for the ratification or rejection of the 1920-1921 budget, is being held this afternoon in the city hall. The polling is light. The budget calls for \$12,500 for the year's expenses.

**Called Home By Family's Illness.**  
Miss Irene Hawks, teacher of the fourth grade at Hawthorne school, left today for her home in Sumner, Wash., in response to word that her father, mother and sister are ill with the influenza or pneumonia.

**Examination to Be Held.**  
An examination to fill a vacancy in the position of grazing assistant for the forest service will be held in Pendleton April 7 and 8. The salary for the position is from \$1200 to \$1500 a year and the position is open for men only.

**Snow Gone From Mountains.**  
There is but little snow left in the mountains according to word received at the Umatilla National Forest Reserve office. In spite of the deep snow this winter, there will probably be a shortage of water, due to the great run off, caused by the frozen condition of the ground when the snow fell.

**Undesirables Pass Through.**  
Thirty-five undesirable aliens, gathered at various points on the coast, passed through Pendleton last evening on No. 18, bound for Ellis Island, New York, from whence they will be deported to their native lands. Most of the prisoners were men with criminal records. Officers of the immigration service were in charge of the two cars containing the aliens.

Bremmer, who has been connected with the Pendleton Auto Co., for several months as a salesman, today accepted a similar position with the Umatilla Motor Sales Corporation, local dealers in Paige and Oakland cars. Mr. Bremmer has been engaged in the electrical and automobile sales business since he came to Pendleton a year ago.

**11 Men Are Knighted.**  
Eleven men were made knights at the degree session of Damon Lodge No. 4, K. of P. last night. Three of these, Charles Wood, Frank Debach and Guy Sloper, were given work in the esquire or second rank, before taking the knight, or third rank. The other eight who were knighted were: Ivan Carr, Elwyn Huffman, Archie Rugg, J. G. Morris, A. Thomas R. O. Bremmer, Glen P. Ryan and Glen H. Roberts.

**Plowing Begins.**  
Farmers below town are plowing and it is thought that within a few days the plowing will be general near Pendleton. For many years, February 22 has been the approximate date upon which plowing begins in this region and this year will probably be no exception. Because of the approach of the plowing season, the tractor show, scheduled for February 4, 5 and 6 and postponed because of the influenza epidemic, has been definitely cancelled.

**Freshman Girl Wins.**  
Jennie Johnson, a freshman, won the bread baking contest which was held at Pendleton high school yesterday afternoon. Her grade was 91 per cent. Fernie Stephens came next with 85 per cent. **Will Inspect Fire Trucks.**  
Fire Chief W. E. Ringold will depart on No. 21 tonight for Portland where he will join Mayor Vaughan tomorrow for the purpose of witnessing demonstrations of the various fire trucks in use by the Portland department. Manually, a member of the fire committee, saw a demonstration at week when he was in the metropolis, but the other members, Joe Ell and Claud Penland, probably will be unable to witness the work. The chief is anxious to have the sections of a machine made, for delivery on most of the models is slow.
