Get a 25-cent bottle of delightful "Danderine" at any drug or toilet counter to freshen your scalp, check dandruff and falling hair. Your hair needs this stimulating tonic; then its life, color, brightness and abundance will return—Hurry!

INCOME TAX POINTS

When I take an Income Tax Case for you I do not merely accept a few figures presented by you, a piece of paper or being complete information. I do it that I would not be doing you a real service. I go into it very carefully and take time enough to get all the expenses and other deductions and get them right. My experience in the government service taught me that the more quickly the tax is figured the more you will pay. Usually the more information I get and the more figures I do the lower the amount of tax.

I take care of you throughout the year. I make a detailed record, which is kept on file so that Revenue Agents can be shown any items of information at any time. I also set up books for the farmer and keep them for him. I install Accounting Systems.

DEATH OF YOUNG GIRL IS SHOCK TO UMAPINE

(East Oregonian Special.)
UMAPINE, Feb. 19.—This community is grieving this week over the death of Ellen Rayfield Willey the 13-year-old daughter of Mr. and Mrs. A. A. Willey. Her death came as a shock to her many friends as she was thought to be improved after her recent illness.

Six weeks ago Ellen was taken ill with inflammatory rheumatism which later developed weak heart action.

Her father and mother, Mr. and Mrs. A. A. Willey, as well as three sisters, Mrs. B. Travis Jones at whose home Ellen died in Walla Walla, and Mrs. D. DeValle and Mrs. Nannie Gear of Portland.

The funeral was held Wednesday afternoon from the Cookery Undertaking Parlor in Walla Walla. Rev. C. C. Babbidge of Umapine officiating.

To do their classmate honor, Umapine schools were dismissed and the following boys acted as pallbearers: Rommie Kirk, Paul Jones, Keith McDaniel, Spencer Copeland, Beryl Rodger and Ivan Gainer. Beautiful floral gifts evidenced the regard and love borne her by everyone. Interment was made in the I. O. O. F. Cemetery.

On Friday evening the Ladies of this community gave a Leap Year dance in the Hall at which 100 people were guests. The sum of \$18.75 was netted which will be turned over to the American Legion Post at Centralia to aid the council for the legion against the I. W. W. Last week \$11.12 was given by the grange for the same purpose. At the dance Friday night, local musicians furnished the music and the "old married folks" enjoyed quadrilles, waltzes and two stars without a box number. Mrs. Stella Murphy acted as floor manager and the ladies bought the numbers also seeking the partners all evening except when once or twice it was gentlemen's choice. A midnight lunch was served the guests.

On Feb. 11, a baby boy was born to Mr. and Mrs. Victor Coffman of Umapine. Mrs. Coffman was Beatie Crigler of Ferndale, before her marriage.

Mr. and Mrs. Tom Campbell moved Tuesday to the E. Jensen ranch, just north of Umapine and will be the father of carnations.

On Monday morning Feb. 16 a baby son was born to Mr. and Mrs. Emil Noller at the home of Mrs. Muller's parents Mr. and Mrs. O. W. Jensen. Mr. and Mrs. Muller are from John Day.

Saturday morning, Joe Hobson of Weston who wintered 400 head of sheep on the Dan J. Kirk ranch shipped the herd to Weiser, Idaho.

Fred C. Benson, county agriculture agent, was a business visitor at Umapine Thursday arranging for a community meeting Feb. 26 at this place. Prof. Westover and Hyslop of the Oregon Agricultural College will lecture to the farmers on dairying and farm business.

Among the marriage sufferers in this place this last week are Mr. and Mrs. M. O. Beauchamp, the Hastings and Burgraffs, Mrs. Sam Harp, Anna Therkelsen and William Murphy Jr.

Friday evening the girls of the Umapine high school gave a Leap Year party in the manual training hall at which 20 were present. The games were in honor of St. Valentine and the tables and decorations of Pussy Willows and peach blossoms.

Mrs. Caldwell, mother of J. P. Caldwell, who has been so ill with heart trouble at his home at Umapine arrived Saturday morning from Corvallis to assist in the care of her son.

Ed Hoon, who was seriously ill last week and his condition so precarious, is much improved and although very nervous is making rapid recovery to health.

Mr. and Mrs. Dan Kirk entertained at dinner on Sunday Mr. and Mrs. R. E. Bean and family and Mr. and Mrs. R. W. McKie.

Friday afternoon at the Vincent school the fifth and sixth grades staged a play and gave a program without assistance. Lester Leroux acted as master of ceremonies while Ann Murphy read the character of the play and was director. In addition to the play the children presented a program which was entirely gotten up by themselves. At the close of the afternoon Orville Miles read "The Yellow Jacket Junior" which was a clever take-off on the high school paper.

Thousands of Women

Owe Their Health To

Lydia E. Pinkham's Vegetable Compound—overshadowing indeed is the success of this great medicine. Compared with it, all other medicines for women's ills seem to be experiments.

Why is it so successful? Simply because of its sterling worth. For over forty years it has had no equal. Women for two generations have depended upon it with confidence.

Thousands of Their Letters are on our files, which prove these statements to be facts, not mere boasting.

Here Are Two Sample Letters:

Mother and Daughter Helped.

Middleburg, Pa.—"I am glad to state that Lydia E. Pinkham's Vegetable Compound did me much good when I was 35 years old. I was run down with female trouble and was not able to do anything, could not walk for a year and could not work. I had treatment from a physician but did not gain. I read in the papers and books about Lydia E. Pinkham's Vegetable Compound and decided to try it. The first few bottles gave me relief and I kept on using it until I got better and was able to do my work. The Vegetable Compound also regulated my daughter when she was 15 years old. I can recommend Lydia E. Pinkham's Compound as the best medicine I have ever used."—Mrs. W. Yeaman, R. 3, Box 21, Middleburg, Pa.

Fall River, Mass.

"Three years ago I gave birth to a little girl and after she was born I did not pick up well. I doctored for two months and my condition remained the same. One day one of your little books was left at my door and my husband suggested that I try a bottle of Lydia E. Pinkham's Vegetable Compound. I started it immediately and I felt better and could eat better after the first bottle, and I continued taking it for some time. Last year I gave birth to a baby boy and had a much easier time as I took the Vegetable Compound for four months before baby came. On getting up I had no pains like I had before, and no dizziness, and in two weeks felt about as well as ever."—Mrs. Thomas W. Yeaman, 33 Columbia Street, Fall River, Mass.
