Government Wheat Exports
Now Total 130,001,000 lbs.
Exports of wheat and flour July 1, 1919 to February 6, 1920 amount to 86,425,000 bushels of wheat and 9,881,539 barrels of flour, making a total equal to 130,901,000 bushels of wheat compared with 115,831,000 bushels of wheat and 13,975,000 barrels of flour last year to February 6, 1919, making a total equal to 174,689,000 bushels of wheat.

Sheep and Lamb
Situation Favorable.
While there were 18 carloads of livestock received at North Portland overnight, only about two cars of stock were available for the trade here. Hogs were steady to easier, cattle tone indicated extreme stagnation while the sheep and lamb situation was considered favorable.

General hog range:
Prime mixed \$15.75@16.25
Medium mixed 15.25@15.75
Rough heavies 11.00@12.25
Pigs 13.00@15.00
While there were no arrivals in the cattle alleys at North Portland for the Friday morning trade, nothing was wanted by killers. The situation here at the moment indicates nothing but extreme dullness and it is quite probable that arrivals would sell at lower figures.

General cattle range:
Best Grain steers \$12.00@12.75
Choice steers 11.00@11.50
Good to choice steers 10.00@11.00

Medium to good steers 9.00@10.00
Fair to good steers 8.00@ 9.00
Common to fair steers 7.00@ 8.00
Choice cows and heifers 9.50@10.25
Good to choice cows and heifers 8.50@ 9.50
Medium to good cows and heifers 7.50@ 8.50
Fair to medium cows and heifers 6.50@ 7.50
Canners 3.50@ 6.50
Bulls 6.25@ 9.00
Best light calves 13.50@17.00
Medium light calves 12.50@15.50
Heavy calves 7.00@12.50
Stockers and feeders 5.00@ 9.50
While there were again no offerings in the mutton and lamb division of the North Portland market, trade conditions in general indicate a steady tone at the former price range.
