

News of Pendleton

February Building Totals \$37,005.
 Building permits issued for February totaled \$37,005, the greatest part of which was for repairs, remodeling or small additions. Three new homes, costing respectively \$10,000, \$4,000 and \$3,000 were granted permits, while the largest improvement work

was the \$7500 basement and heating plant for the Episcopal church. Permits numbered 25.

Takes Position as Stenographer.
 Miss Emily Carney today took a position as stenographer with the Umatilla Flour & Grain Co.

Three Permits Issued.
 Two building permits late Saturday and one today were issued by the city recorder. Fred Enbysk was issued a permit to erect a garage to cost \$250 on his property at 127 Grant street. J. K. Bott will make an addition to his dwelling at 815 Matlock street at a cost of \$600, while C. H. Myers will make repairs to his dwelling at 520 Hazel street at a cost of \$25.

84 Additions to Christian Church.
 Yesterday was the most wonderful day in the history of the Christian Church according to Rev. R. L. Bussabarger. The attendance was the largest of the meetings. There were three preaching services. Twelve members were added, making 84 to date. The ladies of the church served dinner to 200 yesterday and lunch again to the crowd in the evening. There were 100 more people present last night than at any previous meeting of the revival and it was the largest crowd in 10 years at the church. The young people will repeat their Bible drill this evening. Evangelist Wilhite's sermon subject tonight "Silence." The music

led by Prof. Gates is always an attractive feature.

Two Got Into Tolls.
 Two young men giving the names of John Doe and Richard Roe were arrested yesterday on charges of being drunk and forfeited \$10 bail each this morning in police court for failure to appear for trial.

Takes Position at Hotel.
 Elbert E. Tate today became assistant cashier at the Bank of Hells, succeeding Miss Irene Luther, who has resigned. Mr. Tate has been employed at the American National Bank here for the past three months.

Essays Are Judged.
 Miss Duff, Miss Johns and Earl E. Fleischmann faculty members of Pendleton high school, are judges of the army essays which were written by P. H. S. students. The essay written by Arthur Rudd will represent the local school in the district contest.

February Police Business Slack.
 Police business during February was at the lowest ebb in many months, due to the general ban on affairs during the first half of the month. There were 11 traffic cases, nine drunk and disorderly, one for unlawful possession of liquor and two arrests for driving over fire hose. From the 22 passes and two old fines carried over from January but \$179.50 was collected.

Schafer Ranch Sold to Belike.
 The E. B. Schafer ranch of 640 acres, lying one mile east of Pilot Rock was sold on Saturday afternoon to Herman Belike, who has been farming leased lands on the reservation for a number of years. Mr. Belike will take immediate possession of the ranch and buildings. The deal was an important one and was for cash, consideration not made public. The ranch is all in wheat land, with modern buildings.

Pilot Rock Shooters Enthusiased.
 Nearly the entire membership of the Birch Creek Rod & Gun Club turned out to a practice shoot on the new traps at Pilot Rock Sunday. There are about 50 members and the club is prospering. Farmers as well as the townspeople are taking to the game like ducks to water, according to L. C. Scharpf, of Pendleton, who holds a card in the club and joined the shooters yesterday.

Leaves for Boise.
 Mr. and Mrs. Luther J. Goldman, who have been visiting at the home of Mrs. Goldman's parents, Mr. and Mrs. G. W. Couits, left today for Boise, Idaho, to make their home. Mr. Goldman will be in charge of the Biological Survey office, as predatory animal inspector, and will have the state of Idaho as his territory. Mr. and Mrs. Goldman returned recently from Alaska, where they have been for almost a year.

Wilson to Sell Insurance.
 Dave Wilson, exchange teller at the First National Bank, resigned his position effective today and will take the agency for Morrow county for the Equitable Life Insurance Co., of New York and Paris. He was recently appointed agent by Clark E. Nelson, state manager, and will leave for Heppner this week to open headquarters. Mr. Wilson has made his home in Heppner for a number of years and is widely known in Morrow county. He has been with the bank here for two years.

Games to Be Played.
 The Pendleton high school basketball team is working hard in preparation for the La Grande Game, which will be played here Wednesday night. Coach Ted Preble is working out with the boys each evening and doing everything in his power to make the P. H. S. team a winner. Friday the team goes to Walla Walla, where they will complete in the tournament. The lineup for the coming games will probably remain the same as ever.

New Schedules In Effect.
 New train schedules are in effect today. No. 17 is now due to arrive at 11:55 a. m. instead of 11:25 a. m. It goes by the cut-off and reaches Pendleton at the same time as formerly. Trains Nos. 4, 5, 18, and 19 are the others which go by the cut-off, but Nos. 1, 2 and 6 still travel via Umatilla.

Trains 5, 19 reach Portland earlier by the new schedule. No. 5 will reach Portland at 11:59 a. m. instead of 12:30 p. m., while no. 19 will reach Portland at 3 p. m. instead of 3:30 p. m.

Will Consolidate Tomorrow.
 The official consolidation of Eureka and Integrity lodges of Oddfellows will take place Tuesday evening in the Oddfellow lodge rooms, when the members of both lodges assembled and those of Integrity lodge sign the roll of Eureka lodge. Permission to merge was received Saturday night from Forrest L. Hubbard, of Baker, G. M. for the state. He will not be present Tuesday for the merger, however. Hereafter there will be but one Oddfellow lodge here and it will be known as Eureka lodge.

Mrs. Ola A. Kidder Dies.
 Mrs. Ola A. Kidder, known as O. A. C. as "Mother Kidder," who was well known here and who visited the 1919 Round Up, died in Corvallis Saturday after a lingering illness. Hemorrhage of the brain caused her death. She came to the college in 1908 and organized the library. During the war she served as librarian at Camp Lewis and returned to O. A. C. in 1919 to take up instructional work with the student army training camp men. She was 65 years of age. She is survived by a niece, Miss Marjorie Schutt, who is attending O. A. C. Miss Francis Schutt, another niece, of Chicago, and a nephew, Oren B. Schutt, of Champaign, Illinois.

Pilot Rock Has Board.
 Pilot Rock has formed a second Salvation Army board, in addition to the first.

Paints Court Street.
 The street department yesterday painted center parking lines on East Court street from Main to Thompson streets. As soon as convenient one more block on Main street, from Webb to Railroad, will be marked off and street from Main to Cottonwood. Small blue and white signs have been placed at the boundaries of the parking areas, with the direction, "Park Here." Concrete oval blocks have been placed at the center of important streets intersections today by Traffic Officer Lundy, for the guidance of vehicles turning corners. Anyone found cutting inside these markers stands a chance of appearing before the police judge for violation of the traffic laws.

Crops Valued at \$600,000.
 Total value of crops grown on the Umatilla project during 1919 was \$600,000, averaging almost \$75 per acre, according to a report published by the reclamation office. Of the 10,500 acres that are irrigable over 5700 are in alfalfa, and the 4800 acres of mature alfalfa produces a crop valued at \$485,000. The apple crop is valued at \$68,000 and the returns from stock, poultry and bees is estimated at \$49,000. The highest crop-returns were from one quarter acre of muskmelons, which netted \$300, or at the rate of \$1200 an acre. Of the 307 farms, 400 are operated by the owners, and over half of the project population of 2500 live on the farms. The land investment, including purchase price, cost of leveling, buildings and improvements is over \$2,260,000.
