Some Information about Tricollette DRESSES

In the purchase of a Tricollette dress, one should be guided by quality of the fabric.

Garments like those pictured in this illustration have a minimum of sag or pull—something not to be claimed for gowns made of inferior weaves.

It is far better to pay what may seem a higher price than to sacrifice the quality of the article.

Featured in this store you will find dresses of Serge and Tricotine, Taffeta and Tricolette. They are garments to make you look your best, and that is what this store wants you to feel entitled to when you spend your money here.

OBSERVANCE OF CODE FOR FLAG ETIQUETTE URGED BY UMATILLA CHAPTER, D. A. R.

A Code for Flag Etiquette, gleaned from Army and Navy Usages, is submitted by Umatilla Chapter, D. A. R., Mrs. Myra Cohn, president. The rules follow:

1. The Flag should not be hoisted before sunrise, nor allowed to remain up after sunset.
- It should not be displayed on stormy days, nor left out over night.
- When the Flag is displayed at half staff, for mourning, it is to be lowered to that position from the top of the staff. It is afterwards hoisted to the top before it is finally lowered.
- When the Flag is formally raised, all present during the ceremony should stand at attention, with hand raised to the forehead ready for the salute.
- The correct salute to the Flag, as required by the regulations of the

the remainder of the ceremony.

3. When the Flag is used out of doors, it should always be allowed to fly in the breeze. When clusters and draping of colors are desired, hinging or cloth should be used, but never the Flag.
5. When out National Flag and State or other flags fly together, or are used in decorating together, our National Flag should be on the right.
10. For indoor decorations, the Flag can only be used as a drapery; it cannot be used to cover a bench or table, desk or boxes and where anything can be set or placed upon the Flag.
11. For indoor decorations, the Flag may be caught up in many artistic fashions, and used with burning, garlands, plants and flowers, but should never be placed below a person sitting.
12. When used on a bier or casket at a funeral the stars should be placed at the head.
13. In no case should the Flag be allowed to touch the ground.
14. The Flag must not be marred by advertisements, nor decorated on the stage.
15. The Flag Never Washed
16. It is an unwritten law in the Navy that the Flag is never to be

washed, it is always to be considered immaculate.

14. When "The Star Spangled Banner" is played, all present should rise and stand at attention until the ending. The playing of it as a part of a medley should be prohibited, and it should not be played as an exit march.
15. The only Federal legislation with regard to the Flag, forbids the registration of any trademark which consists of or comprises the Flag or Coat of Arms, or other insignia of the United States, or any simulation thereof or of any States of Municipality, or of any foreign nation, etc.
16. The Flag salute adopted by the National Society Daughters of the American Revolution, by our Military Schools, the Boy Scouts and other organizations, and which should be taught in all of our public schools is: "I pledge allegiance to my Flag and to the Republic for which it stands; one Nation indivisible, with Liberty and Justice to all."
17. Children should be taught to carefully handle and guard their little flags, from rough and disrespectful treatment, and not be permitted to carelessly toss them about in parades and processions, nor throw them away should the stick become broken or should the child tire of holding it.
18. Holidays when the Flag should be displayed at full staff: Lincoln's Birthday, February 12. Washington's Birthday, February 22. Memorial Day, May 30. Flag Day, June 14. Independence Day, July 4. Star Spangled Banner Day, September 14, and each State Day.
