

People Here and There

When the retail merchants of the state held their recent convention at Astoria, they had a banquet. Ed Morris, from Portland, was toastmaster. Astoria being noted for the preponderance of Scandinavian population, the choice of Morris was considered timely, for his stock of Swede dialect is larger than that possessed by the average son of Scandinavia. Every word uttered by the toastmaster was a dialect and, they tell, every man in at-

tendance left the banquet hall with his sides aching from so much laughter. "The Big Swede" as Morris is known among shooters, is in Pendleton today in the interests of the Western Cartridge Co. Another famous traphot and ammunition salesman here is Peter Holohan, dean of the scattering artists of this region. Mr. Holohan is a DuPont man.

Oscar Seagle, famous baritone, who will sing tonight at the Methodist church, is in the city and is registered at Hotel Pendleton. It is the singer's first visit to Pendleton.

Cyril G. Brownell, of Umatilla, is in the city today. Mr. Brownell is active in the General Wood campaign and has been visiting various parts of the state in the interests of the campaign.

The score of last night's basketball game between the Ellis-Schiller team and the Baptist church seniors depends upon who sees the interviewer first. A conservative average of the various scores mentioned by the winners and losers leads to the conclusion that the churchmen won, 28 to 12. It was more an exhibition of indoor football than of the game of basketball, they tell, and Guy Johnson, for the winners, and Rex Ellis, for the losers, started with the most bruises.

Leonard Pion, who travels for the Goodyear Tire Company, was in the city today on his way to Seattle after a visit in Chicago. Pion is known to the University of Oregon students of this city, and has visited here as a member of the college men's club. During the war he served in France with the 361st Ambulance Corps.

Colonel H. G. Newport of Hermiton, left today for his home after a short business visit in this city.

S. R. Hale, stockman of Ukiah, is a Pendleton business visitor today.

H. L. Copeland, of Walla Walla, is in the city.

E. F. Wahler, of Portland, is here today.

Gordon Peel is a Pendleton business visitor from Portland.

D. D. Phillingan, of Portland, is here.

This Tells You How to Get Benefit of the Best Senna

Finest Grade of Egyptian Senna Leaves used in compounding Dr. Caldwell's Syrup Pepsin.

PROMINENT importers and wholesale dealers in crude drugs and medicinal herbs gathered from all parts of the world do not hesitate to say that the market for the better grades of medicinal herbs, roots, oils, etc., is practically confined to the leading manufacturers of the so-called package medicines, who buy only the very best, and that the manufacturers of Dr. Caldwell's Syrup Pepsin are the largest users of the best grade of Egyptian senna leaves in the world.

The potency of a tea brewed from senna leaves to relieve constipation has long been recognized, not only by the medical profession, but by the public generally; in fact, senna has been known and used in medicine for more than five centuries. The cheaper grades of senna, such as are usually sold at retail, have, however, a tendency to gripe and cramp

which makes their use unpopular with most people.

In Dr. Caldwell's Syrup Pepsin the finest Egyptian senna is combined with pepsin and other valuable agents, essential oils and pure cane sugar syrup to make an exceptionally valuable tonic-laxative for the relief of constipation and resulting disturbances of the stomach and bowels. The complete formula is plainly printed in English, French, and Spanish on every package. Thousands who formerly bought an inferior grade of senna leaves now use Dr. Caldwell's Syrup Pepsin instead. It is sold in drug stores everywhere.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

Canadian Senator Who Issues Manifesto Calling for New National Party

Hitherto a Conservative in Canadian politics, Senator J. S. McLeannan, of Sydney, N. S., has issued a manifesto calling for the formation of a new party to be known as the National party. His aim apparently is to combat the free trade tendencies of the Farmers parties which have been rapidly growing in strength in the Dominion. His manifesto points out that the industries in Canada have grown up under a tariff system for forty years. "The production skill developed in Canada in this time," his message says "was of the highest value in the great war and could not be disturbed or driven from this country without incalculable loss to the Dominion."

TAXES MAY FORCE PARIS THEATRES TO SHUT DOOR

PARIS, March 5.—Paris is threatening to become the Theatreless City. By way of recompense, however, she plans to take on the added dignity and glory of the world's dancing center.

This is due to two reasons. First, the new war taxes which affect the receipts of all theatres and amusement places; and secondly the present Parisian vogue of dancing.

In an effort to pay off her war indebtedness, France has just clapped a bunch of new taxes on the theatres, music halls and movies. Coupled with the taxes they were already paying, the theatre directors at last declared that they are already permanently out of business.

Turn to Dancing.
To keep from starving, however, they will turn their theatres into dancing establishments with the dancers and with balls in the evening.

Taxes now imposed on theatres, especially of the revue type with which Paris abounds now total 25 per cent of their gross receipts. They are divided up as follows: 10 per cent for the poor which has been a tax long established at Paris; 10 per cent royalty to the authors and then the new war tax of 15 per cent.

As a consequence they announce their intention hereafter of entering merely to the dancing order until some other means has been found of paying off the war debt.

GRAY HAIR BECOMES DARK AND BEAUTIFUL

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other, ingredients at a very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.
