WINTER'S GRIP AGAIN FELT IN UKIAH REGION

UKIAH, March 8.—The Ukiah Telephone office has again changed hands and Mr. and Mrs. Arthur McRoberts of Butter creek now have charge. They formerly lived in Ukiah, where they have a host of friends, who are glad to welcome them back and hope they will never have cause to regret their return to Ukiah. Winter weather is again visiting Ukiah and with about four inches of snow in the valley and a cold wind it is severely felt, after the nice warm spell of last week. On the hills the snow is deeper and the stage driver

reports drifts of six and seven feet on Cape Horn, near the Willow Springs, which had to be shoveled out. Harley Kirk who has been cutting and hauling logs at the Teel saw mill during the winter returned to Ukiah the first of the week after the mill closed down. The closing down of the work, is regretted by all as it gave employment to men of Albee and Ukiah during the winter months when there was nothing else doing. Mr. and Mrs. G. W. Hayden and son Palmer, who have been visiting with their daughters, Mrs. Mildred Martin and family for the last two weeks, left Monday for their home at Central, Washington. Mrs. Granville Plant of Dale, visited a few days, the first of the week with her mother, Mrs. Maggie Walker of Ukiah. Mr. and Mrs. Roscoe Dickenson left Sunday for Athena, where Mrs. Dickenson goes for medical advice.

Walter Allison, ranger of Ukiah left Monday for Pendleton to meet with W. W. Cryder on business concerning the government work. He will return the last of the week. Rev. Joseph Herbert left Monday for Portland, to be present at the meeting of world wide church movement, which was held there from March 2 to 5. He returned the last of the week in time to hold service Sunday. Mr. and Mrs. Frank Hilbert left Monday for an extended visit to Pendleton, Walla Walla and Portland. Mr. and Mrs. J. D. Kirk, returned Saturday after a two weeks stay in Spokane, during the illness and death of Frank Belle, a brother-in-law of Mrs. Kirk. William Allison of Oriental, who has been visiting in town for the last week, returned home Wednesday. Miss McKeen of Hermiston, came in on Saturday's stage and left Monday

to begin teaching school in the Brehm district. Sam Carter of Long Creek, passed through with a fine bunch of mules, taking them to Pendleton to sell. Robert Bond of Yaakum came in Monday and will be here several days at the Bond ranch, looking after the interests of the Bond Brothers here. Mrs. Raglin and daughter, who have been in charge of the telephone office here, left Wednesday for Albee where she will visit for a short time at the home of Mr. and Mrs. Kottner's and then she will go to Butter creek to join her husband who is employed at the Ed Neill ranch. Wood Gibbs left Monday for Stanfield, on a combine business and pleasure trip, expecting to return the last of the week. While there he will visit his father's Ella Gibbs and at the home of Mr. and Mrs. J. W. Sturdivant. Mrs. A. Kottmeier of Albee, was

visiting in town Wednesday. Mr. and Mrs. Rankin were down Wednesday from the Teel saw mill on business, while in town, they were the guests of Mr. and Mrs. J. D. Kirk. Jesse Hilbert of Bridge creek, was in Ukiah Wednesday evening on business. A letter to friends from Dr. G. U. Snapp, who formerly practiced in Ukiah for several years, states that he is now at West Timber, Oregon. Williams Meenys of Bridge creek, came over Thursday on business. Clarence Huston, son of Mr. and Mrs. Hurry Huston has been absent from school for the last week on account of illness. Floyd Martin made a trip to Pendleton and Freewater the first of the week. The many friends of Walter Helmick, who was so seriously ill with pneumonia, at Stanfield, will be pleased to learn that he is now at the home of his sister, Mrs. Thrasher near Nye,

and will be able to come on to the home of his mother in Ukiah in a very short time. Although reading an account of his own death in the Echo correspondence, he now feels very much alive, and will still live, providing he can get enough to eat, which seems to be his worst trouble just now. Bert Martin who left for Pilot Rock Monday in his truck, for a load of freight, has been stranded at the Rock for a few days on account of the deep snow. James Mossie met with a painful accident last week, when he had the index finger of his right hand badly mashed in one of the roller doors of the barn. Carl, Clair and Ivan Sturdivant returned from Pendleton Saturday evening. Mrs. Mary Casteel, and sons, Ralph and Walter, who left Ukiah in December for Willamette valley, where they expected to visit a month, and return

about the first of February, writes that her son Walter has been very ill and their date for returning is uncertain. Mrs. S. J. Helmick, visited at the home of Mrs. Francis Herbert Thursday. **Dr. Smith Is Candidate.** Dr. C. J. Smith of Portland, has filed his petition to be elected democratic delegate at large to the national convention at San Francisco in June. There are now three candidates in the field for the four positions, others being former U. S. District Attorney Bert E. Haney of Portland, and Judge Thomas H. Crawford, of La Grande. **For Colds, Grip or Influenza** and as a Preventative, take LAXATIVE BROMO QUININE Tablets. Look for E. W. GROVE'S signature on the box, 25c.
