## EXTRAORDINARY SALE OF AMORY BROWNE AND CO.'S NASHUA COTTON BLANKETS FOR THURSDAY, FRIDAY AND SATURDAY.

Here is the story: Over a year ago we purchased a great quantity of these blankets to be delivered last September, as we anticipated a sharp advance in price. Prices advanced all right but due to the shortage of all kinds of merchandise we did not receive the blankets when ordered, in fact they just came in this week. Now they are asking higher prices for next fall delivery.

Due to the fact that we bought blankets elsewhere in the meantime, we are overstocked, haven't the room in fact to store them. In order to effect a quick disposal of these high grade cotton blankets we offer them, during this sale only, at prices that are and will be fully one third less than you will pay in a very short time. Why not buy your camping needs now, also your next winter's supply as it means a real saving in real money.
