Here grain growing, dairying and live stock raising are being carried on successfully. The Canadian Pacific Railway is offering a large area of these fertile lands in Lloydminster and Hatfield districts. This fertile land will become the home of thousands of prosperous farmers. On similar land Senator Wheeler grows the world's prize wheat. Near Lloydminster the world's price oats have been grown, and butter of the highest quality is made. A man can soon become independent on a farm in this district. These lands can be bought now at prices averaging about \$12.00 an acre. You pay 10 per cent. if land is purchased under payment of principal until end of fourth year, then six per cent. M. J. THORNTON, Supt. of Colonization, Canadian Pacific Railway, 985 First Street, E.
