BY RAYMOND CLAPPER

(United Press Staff Correspondent.) WASHINGTON, Mar. 11.—Herbert Hoover will be asked to testify in behalf of Admiral Sims before the senate naval affairs committee investigating the Daniels-Sims controversy.

AVALANCHES ISOLATE ALASKANS FROM FOOD

SEAGWAY, Alaska, Mar. 11.—(United Press)—Residents across the international boundary line from here, in northern British Columbia and southern Yukon territory have been reduced to a straight diet of Moose meat as a result of the avalanches which tumbled tons of rock, earth and snow down on the tracks of the White Pass & Yukon Route.

The route has been blocked for two months. Attempts to clear the tracks with huge rotary snowplows were unavailing because of the heavy rocks. The two dependencies depend upon the railway to keep them supplied with provisions throughout the long, dark and monotonous winter.

complicated for the young children and the toothless aged to whom moose meat in any form does not appeal. Meanwhile, pick and shovel brigades are busy trying to clear the route.

Winter Meals From Your Summer Garden.

IN the cold winter, when canned or fresh vegetables are so expensive, how fine it is to be able to go to the fruit closet and select a jar of home-canned beans, peas, beets, carrots, sweet corn, etc.

Home canning, or cold packing, proves most satisfactory when the vegetables are fresh from the garden. All varieties best suited to canning are easy to raise and big yields are the rule when grown from Northrup, King & Co.'s Seeds.

For 36 years our seeds have made gardening a source of pleasure and profit to thousands of "back yard gardeners." Join this vast gardening army—go to your dealers early and select packets of all the varieties you are fond of, from the convenient Northrup, King & Co. Seed Case. Standard size packets are only a nickel this year—and think of all the vegetables you can raise from one packet.
