Now is the time for you to choose your Easter wardrobe.

## "Are they worth the price"

Like everything else, good clothes are higher priced; but they're no higher in proportion than good workmen. The only question about either is, are they worth the price? A man or a suit that gives full value in service is worth a good price.

Hart Schaffner & Marx make that kind of clothes; all-wool fabrics, high grade workmanship, liveliest style; they guarantee, and we guarantee, satisfaction to you in these clothes.

Whenever you're ready for a suit or overcoat, we're ready to see that you get the right one.

\$35.00 to \$85.00
