

ALTA TODAY DOROTHY GISH FOHS PLOTTERS IN LATEST PHOTOPLAY FARGE

If a plotting aunt and an unscrupulous physician had arranged to have you confined in a private sanitarium, under the pretext that your mind was unbalanced...

Did you ever meet the condition in which a nurse would say you were insane and you would try to prove your sanity?

That is one of the situations that confront Dorothy Gish in her latest Paramount picture, "Turning the Tables," which will be shown at the Alta Theatre today.

In this case Dorothy meets it in a way that may work in some cases and not in others. This time it resulted in her having the freedom of the grounds, being courted by the man she wanted to marry, and finally escaping.

ARCADIE SUNDAY AND MONDAY "SADIE LOVE" LAUGHING HIT

How would you like to plan an

engagement with a pretty girl and then find your wife at the top of the ladder in place of the maiden? That's only one of the funny situations in "Sadie Love," the new Paramount-Arcraft photoplay starring Billie Burke...

It is a screen version of Avery Hopwood's successful stage farce by the same name and is said to be a highly fortunate selection as a vehicle for pretty Miss Burke. The plot concerns a young American girl, just married to a handsome Italian count, who becomes obsessed with the idea that an American with whom she once had a romantic affair is her "twin soul."

James L. Crane again appears as Miss Burke's leading man, and others in the cast include Ned Prouty, Helen Mountrose, and Hedda Hopper. The picture was directed by John S. Robertson.

Worth Knowing

Lobster salad should be mixed just before serving and kept on ice till the last minute.

It is dangerous to eat fish not thoroughly cooked.

Soak beans overnight before par-boiling for baking.

FARMER'S INCOME SUBJECT TO TAX

Gains for 1919 Must Be Figured Under U. S. Law—Returns Due March 15.

LAND SALE PROFITS TAXABLE.

Necessary Farm Expenses May Be Deducted—Special Form for Farm Income—Cash or Accrual Basis for Computing.

A farmer, shopkeeper, or tradesman must figure up his net income for 1919; and if the farm or business income plus his other income was sufficient to require an income tax return a complete return must be filed with the collector of internal revenue by March 15.

Farm Expenses.

From his gross income a farmer is allowed to charge off all of his necessary expenses in the conduct of the farm during the year. These include costs of planting, cultivating, harvesting and marketing. In addition to these costs he may deduct money spent for ordinary farm tools of short life...

Other farm expenses allowable are the cost of minor repairs on buildings (but not the dwelling house), on fences, wagons and farm machinery; also bills paid for horseshoeing, stock powders, rock salt, services of veterinary, insurance (except on dwelling house), gasoline for operating power and sundry other expenses which were paid for in cash.

As to hired help, all the productive labor is a deductible expense; but the wages of household servants, or help hired to improve the farm, as in tree planting, ditching, etc., cannot be claimed against earnings. A farmer is not allowed to claim a salary for himself or members of his family who work on the farm.

Wear and Tear.

Purchase of farm machinery, wagons, work animals, etc., also the cost of reconstruction or extension of buildings, silos, fencing, etc., should be considered additional investments in the farm and are not proper deductions against income.

A reasonable allowance may be claimed for wear and tear on farm buildings (except the farmhouse), fences, machinery, work animals, wagons, tanks, windmills and other farm equipment which is used in the conduct of the farm.

As to autos and tractors, the cost of these is not an expense, although the cost of their upkeep is an allowable deduction, if the machines are used exclusively for farm purposes and not for pleasure. Also, in such cases, a deduction for wear and tear is allowed.

Farm Losses.

The loss of a growing crop is not a proper deduction from income, inasmuch as the value of the crop had not been taken into gross income. The loss of a building or of machinery through storm, lightning, flood, etc., is an allowable deduction, but care should be used to ascertain the correct loss sustained, as restricted by income tax regulations.

No deduction is allowed in the case of loss of animals raised on the farm, but a loss is deductible from gross income if the animals had been purchased for draft or breeding purposes.

Shrinkage in weight or value of farm products held for favorable market prices cannot be deducted as a loss, for the reason that when such products are sold the shrinkage will be reflected in the selling price.

Sale of Farms and Land.

The value of agricultural lands has been jumping during the past few years, and during 1919 many owners sold out part or all of their lands at big profits. All such gains constitute income and must be taken into the net income for the year.

Any person who sold part of a farm or ranch, or part of a parcel of land, must also show any gains realized by the sale.

The method of figuring gains and losses on such transactions is prescribed in the Income Tax regulations, copies of which may be secured from Internal Revenue Collectors.

Forms for Returns.

The Internal Revenue Bureau has issued an improved Form 1040F for the use of farmers. This form, together with Form 1040A or 1040, will give the farmer explicit information as to how to properly figure his net income for 1919.

There are two methods of figuring a farmer's income tax return this year. He may make his return on the basis of the difference between the money and goods received for his products and the cash paid out for actual allowable farm expenses within the year. Or he may make his return on the accrual basis, which means computing the receipts and expenses that pertain to the taxable year, excluding income earned and expenses incurred in previous or succeeding years.

BAKER ATTORNEY SEEKS PLACE IN LEGISLATURE

BAKER, Ore., March 12.—Frank C. McCulloch, prominent young attorney of Baker, has announced his candidacy as representative to the state legislature on the democratic ticket. Mr. McCulloch is an associate with his father in the law firm of McCulloch & McCulloch. He is a graduate of the Baker high school and Stanford university. He entered the first army training camp at Presidio, where he won a captaincy in infantry and was assigned to duty with the 51st division. With this organization he served overseas, later being commissioned a major. He is state vice chairman of the American Legion.

CENTRALIA NORMAL TO ASK FOR SCHOOL FUND

CENTRALIA, Wash., Mar. 12.—The trustees of the Centralia State Normal school Wednesday voted to ask the state legislature at the coming special session for an appropriation of \$200,000 for the construction of the first unit of the new school. The board made up its budget for the next biennium, the amount being \$260,000. A summer normal session of nine weeks, opening June 21, is planned, the legislature permitting.

A LETTER FOR WOMEN

From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, Kas.—"I first took Lydia E. Pinkham's Vegetable Compound for a complete nervous breakdown following the birth of my oldest child. I got up too soon which caused serious female trouble. I was so weak that I was not able to be on my feet but very little and could not do my housework at all. I had a bad pain in my left side and it would pain terribly if I stepped off a curb-stone. One day one of your booklets was thrown in the yard and I read every word in it. There were so many who had been helped by your medicine that I wanted to try it and my husband went to town and got me a bottle. It seemed as though I felt relief after the second dose, so I kept on until I had taken five bottles and by that time I was as well as I could wish. About a year later I gave birth to a ten pound boy, and have had two more children since and my health has been fine. If I ever have trouble of any kind I am going to take your medicine for I give it all the praise for my good health. I always recommend your medicine whenever I can."—Mrs. EVA E. SHAY, Garnett, Kansas.
