\$1000 REWARD PUT UP FOR CAPTURE OF ISLAND CITY THUGS

Lee Tabor, Proprietor of Soft Drink Establishment, Dies From Bullet Wound Inflicted by Hold Up Men.

LA GRANDE, March 15.—County Judge Phy of Union county has offered five hundred dollars reward for the capture of the robbers who assaulted and shot Lee Tabor at Island City Friday night. Immediately afterward, Chairman McKennon of the city commission of La Grande called that body together and the city posted a five hundred dollar reward. This makes a total of one thousand dollars offered for the apprehension of the guilty ones.

Speculation is rife as to who it was that committed the crime but if the officers have any clues of value they have not been given out to the public.

Victim Dies.

Tabor, well known proprietor of the soft drink establishment at Island City, died Saturday afternoon at 3 o'clock, the result of a wound inflicted in a hold-up Friday evening.

The hold-up, as near as can be learned, was staged about 9 o'clock Friday night, when Mr. Tabor was alone in his place of business, playing a game of solitaire. Two men, dressed in blue overalls and jumpers, each with a blue handkerchief covering his

face, drove up in an automobile and entered the building, demanding that Mr. Tabor put his hands up. Thinking it a merry joke on the part of some of his friends, Mr. Tabor laughingly started to arise, when one of the bandits fired a shot, the bullet just missing Mr. Tabor's heart and passing through the body, lodging in a refrigerator back of Mr. Tabor.

Victim Is Robbed.

The two highwaymen then proceeded to search their victim, taking all of the money he had on his person, his watch and other valuables. Mr. Tabor was a man who always carried all of his money on his person, and most any time could pull a thousand dollars out of his pocket.

Tabor had with him at the time of the holdup between \$2000 and \$5000, most of his earnings, and all of which was taken by the highwaymen.

Called for Help.

After the bandits left, Mr. Tabor was able to stagger to the door which he opened and began calling for help. A resident nearby heard a noise, and immediately rushed to Mr. Tabor's aid. At this time, Tabor was fast losing strength but was able to tell of the hold-up and give a description of the men, which he said he did not know. Medical aid was hurriedly called, but the doctors said there was little chance for the recovery of Tabor from such a wound.

DEMPESEY MAY FACE CHARGE ON MANN ACT

LOS ANGELES, March 15.—Charges involving the Mann act may be filed against Jack Dempsey, heavy-weight champion, according to federal officials today. They said 31 letters which Dempsey wrote to "his divorced wife are incriminating and have been presented to the grand jury.

SPOKANE AND TOWNS OF EMPIRE TO FORM LEAGUE

SPOKANE, March 15.—The Spokane City Baseball league passed out of existence recently with the formation of the Inland Empire league and the election of George Varnell as president of the organization. The new league was formed at a meeting of baseball enthusiasts. The league probably will include two Spokane teams and four teams from Inland Empire towns favorably located for circuit games. The series will open May 16 and close Labor Day.

Seems Reasonable.

Our position simply is that a woman who is able to pay \$1000 for furs ought to contribute something to the support of the zoo.—Dallas News.

FRANKIE WEBB ANXIOUS TO FIGHT BUD STEVENS AT SMOKER ON APRIL 10

Boy Who Lost Decision to Local Man in Last Meeting Wants Chance in Semi-Windup on Legion's Big Card.

Frankie Webb, who is one of Fred Anderson's sparring partners, wants to meet Bud Stevens in the semi-windup of the coming American Legion smoker, now set for Saturday night, April 10, in Happy Canyon. Webb has challenged Stevens to a return match, the winner to take the entire purse put up for the bout.

In a previous meeting, Stevens won the decision over Webb but the latter says that he was not in the prime condition for a grueling battle and believes he can take Bud's measure if given a chance. There are quite a number of local fans who would not be amiss to seeing these two boys matched.

It is possible that Fred Anderson will be one of the men considered seriously for the headline event. He is now claiming the lightweight championship of the coast and is much in demand. The legion boys in making up their card are going to get the best two boys for a headline that good Pendleton money can buy.

With a division of the tasks already made in the committee of seven appointed by Post Commander H. J. Warner, plans for the boxing card are coming along well. Dozens of local sportsmen have signified their willingness to take one or more ringside seats at no matter what the price so long as a couple of boys are matched for the headline who will fight all the way of the 10 rounds. Care is going to be taken to get all the boxers, from the curtain raiser to the finish, evenly matched. Willing boys who will fight and not merely spar, are to be lined up.

ORGANIZED BASEBALL ADOPTS NEW RULINGS TO GOVERN 1920 PLAY

Free Deliveries Barred, Catchers Get Credit for Throwing Out Would-Be Stealers and Other Changes Made.

CHICAGO, March 15.—Here are the amendments to the rules of organized baseball in tabloid form:

Free pitching deliveries forbidden, except the spitball, which will be barred next fall.

Catchers forbidden to step from behind the batsman to aid an intentional pass.

Umpire to decide whether a game is postponed.

Gift stolen bases not to be recorded in official box scores.

Schedules must be completed even if games have to be transferred.

No sales of players in the American league after July 1 and in the National league after August 1, except on waivers.

All home runs to be recorded as such.

With two out in the last half of the ninth and the score tied, batsman to be credited with number of bases runner advances on his hit.

A ball that hits the bat while the batsman is trying to avoid it is dead.

Catcher to be charged with an error if he drops the third strike and the batsman reaches first.

Players to be credited with batting and fielding records made in games thrown out on protests.

Catchers to receive credit in box scores for men who are thrown out when trying to steal.

First baseman to receive an error if he fails to touch the bag when possible after taking a throw ball.

DARKHORSE NEWMAN TO LEAVE THE DALLES

Darkhorse Newman, athletic coach at The Dalles high school, last week resigned and will go on the farm. Newman formerly played football at O. A. C. and took the position as athletic coach and instructor in physical education in The Dalles schools last fall.

The former captain of an Oregon Aggie football team has several hundred acres in Idaho which he left in charge of another who he came to The Dalles as coach, but the land demands his immediate attention and is forced to go to it. He will remain there until the middle of next week straightening out his affairs.

While he has no definite plans regarding coaching again next fall, he says that he will again take up the work of tutoring an eleven. His work here both as a physical director and a coach of both baseball and basketball stamped him as being an equal of any high school instructor in the northwest. With but one letter man back for the 1919 season he took hold of the material which averaged around 140 pounds and he worked them into a powerful though light combination. The local high school boys scored 27 points in one drive, and the defeat charged against them was from a team which outweighed the locals almost 20 pounds to the man.

SPORTS

SQUASH TENNIS CHAMPION WHOSE VICTORY GIVES YALE CLUB TITLE FOR FIRST TIME

Auguste J. Cordier

For the first time in the history of the national amateur squash tennis tournament, the title has fallen to go to the Harvard Club. The championship has just been won on the Columbia Golf courts in New York City by Auguste J. Cordier, of the Yale Club. He defeated Anderson Dana, of the Harvard Club, in straight sets. The new champion's decisive victory was due to a happy blending of speed and strategy.

HABITS OF STEELHEAD WILL BE INVESTIGATED

The fish and game commission expects to cooperate with the U. S. bureau of fisheries in determining the rapidity with which the steelheads migrate from the lower Rogue river to the upper reaches in Josephine and Jackson counties. State Game Warden Carl Shoemaker announced Saturday. Professor Willis H. Rich of the bureau headquarters at Berkeley, Cal., will mark the fish by attaching a silver button to one of the fins. The fish will be turned loose and efforts will be made to check up on the time of the arrival of the fish around Grants Pass and above.

This is just a portion of the information the fish and game commission will get together, said Shoemaker. It will also ascertain through anglers and commercial fishermen the time at which salmon and steelheads appear in the Rogue at different points of the water stages, in order that efforts may be made to work out a solution of the Rogue river controversy.
