I had suffered from stomach trouble for several years and no medicine helped me to speak of. A druggist patched up my head and advised me to use Mayr's Wonderful Remedy for my stomach trouble. The results have been really wonderful. I have never had any sign of my former symptoms since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.
