## CONVERSION, EVANGELIST ASSERTS IS 'EXPLOSIVE FACT' IN HUMAN LIVES

### Soul Saving Described by Dr. MacCallum as Miracle That Blows Out Evil and Blows in Rapturous Joy.

BY REV. J. M. CORNELISON.

At the revival meeting Dr. MacCallum had proposed that the Methodist constituency work to fill the house Thursday evening by inviting friends. They did a good job and filled the house. The Presbyterian constituency are to get out the crowd Friday evening. Rev. R. B. Gornall in commenting on this happy and holy revival very earnestly remarked—"It is no particular difference whether we are Methodist or Presbyterians; it is well to get acquainted here and bear with each other in time, if we expect to live together through all eternity." Mrs. J. B. McCook and Mrs. R. Hatch sang "Saved by Grace." The subject of the sermon tonight will be "The Conversion of Saint Paul." No service will be held Saturday night.

### Soul Saving Is Topic

Last night Dr. MacCallum took as his text, James, fifth chapter and twentieth verse. "He who converteth a sinner from the error of his way shall save a soul from death and shall cover a multitude of sins." In portraying to the audience the great joy and luxury of having a part in saving souls, Dr. MacCallum carried his audience into a state of ecstasy. The evangelist spoke of the many wrecks of human lives that have strewn the world. Then said he "Out of the some human material have come the Weesleys' Duthurs, Calvins, Lincolns, that have moved the world, because they were saved souls."

### Nothing Impossible

"There is nothing impossible to the person willing to be used of God in doing these things for other souls," Dr. MacCallum said. "The truest and most abiding joy is the joy of bringing to the light of Jesus a joyless soul. The secret of a happy life can be found here and in helping the needy." The evangelist said that the usual criticism of all revivals was that so many backslid. He not only denied the criticism but laid emphasis on the unbounded enthusiasm of young converts and told of many examples of A. M.

### Conversion An Explosive Fact

Said the speaker, "Conversion is an explosive fact, and a miracle that blows out the evil and blows in the rapturous joy. It lights your candle and burns up the bushes measure any one would put over it. Said Dr. Taylor when haunted by others that there might not be room in Heaven for him and asked what he would do if sent to hell, "I would instantly start a prayer meeting."

blows out the evil and blows in the rapturous joy. It lights your candle and burns up the bushes measure any one would put over it. Said Dr. Taylor when haunted by others that there might not be room in Heaven for him and asked what he would do if sent to hell, "I would instantly start a prayer meeting."

"Men may gain souls by the conquering process of prayer. We must start things of God and expect great things from God." The speaker explained then "that there must be tact in approaching men as also there must be the right example in one's own life to show." The closing appeal of Dr. MacCallum was most eloquent as he pictured the immensity of space and the stars which are to pass away and contrasted these with an immortal soul that would go on its awful career through eternity—saved or unsaved. His appeal was to all—"Go out and save a soul from death and so have the great and abiding joy."

## INTER-CHURCH TEAM WILL COME IN APRIL

Umatilla county will be visited in April by a team of speakers who will speak in favor of the Interchurch World Movement as a means of educating the public for the financial campaign.

The team of speakers is composed of Rev. G. R. Young, of Albany; Rev. C. W. Reynolds, of Corvallis; Rev. W. J. Luscumb, of Ontario; Earl DuBois, of Portland, and Mrs. W. A. Cronan, of Portland.

Their itinerary is Umatilla, Echo, Stanfield and Hermiston April 10 and Pendleton April 11. In the smaller towns the speakers will urge attendance at the Pendleton meeting. Five teams will work throughout the state and Rev. R. E. Gornall, pastor of the Methodist church of this city, has been chosen as a member of the team which will visit Lake View, Klamath Falls, Ashland, Medford, Grants Pass, Roseburg, Cottage Grove, Newport, Toledo, Marshfield, Eugene and Corvallis, on a tour for which the dates are April 3 to April 18, inclusive.

## TRIPLETS, BOYS, BORN TO PORTLAND FAMILY

PORTLAND, March 25.—Triplets were born to Mr. and Mrs. John H. Cleveland, 1937 Division street, at St. Vincent's hospital Tuesday at 12:45.

The three, all of whom are boys, weighed an aggregate of 14 pounds and 2 ounces and all were reported to be well developed and healthy.

## STEEPLECHASE IS RUN ON LIVERPOOL TRACK

LIVERPOOL, March 25.—The Grand National Steeplechase, the greatest "cross-country" event in the turf world, was to be run today on the historic Aintree track, distance four and a quarter miles, with thirty-eight formidable obstacles, in the way of fences, walls, ditches and brooks, to be negotiated.

The race is worth \$25,000 to the owner of the winner, and a smart field of "leapers" will compete for it.

During the war the race was not run except in 1915 when a poor field attempted to keep British horse-racing going. Last year also witnessed a very tame contest, but today saw a real revival of pre-war racing. King George, who is the guest of the Earl of Derby at the latter's ancestral home nearby, will be present.

Mrs. H. Peel's ten-year-old Poethlyn, who won the race last year under the crushing burden of 175 lbs., was again in the field with the same weight and was a pronounced favorite. Other horses fancied were Lady Nelson's Ally Sloper (winner in 1915), Major Gerard's Trostown, Major F. Murray's Gerald L. and Frank Bibby's Wave-tree.

## NO TENNIS TEAM WILL BE SENT TO OLYMPIAD

NEW YORK, March 25.—The Davis cup committee, at its recent meeting here, decided to recommend to the United States Lawn Tennis association that this country send no tennis team to the Olympic games, it was announced Thursday.

This recommendation will be made at the association's meeting on Friday night, when the committee also will make known its suggested dates of July 8 to 16 and July 15 to 17 for the Davis cup matches.

The committee decided it was impracticable for the United States to send a team to Belgium because the schedules of tennis events overlapped those of championships in the United States. As the Belgian authorities are unable to shift the dates, it will be impossible for this country to be adequately represented.

An attempt will be made to schedule the Davis cup matches so that they can be played with a minimum requirement of traveling. South Africa has been requested by cable to send its Davis cup team to England so that the match with that country can be played July 8 to 10. If that proves feasible an effort will be made to have the winner of that match play the winner of the England-Holland match July 15 to 17.

In case some such arrangement cannot be made the committee will recommend that the United States send its team direct to Australia and play all the preliminaries there.

## SPORTS

### BOSTON AND NEW YORK TENNIS PLAYERS WHO FOUGHT IT OUT FOR NATIONAL INDOOR TITLE

Miss Helene Pollak, Boston and New York fought it out for the women's national indoor singles tennis championship in the tournament held in New York. Miss Helene Pollak, of New York, Middle States champion, won her way to the finals by defeating Miss Edith Sigourney, of Boston, by a score of 6-2, 6-3. In the other bracket Miss Edith Sigourney, of Boston, beat Mrs. Ingo Hartmann 6-1, 6-1.

## LINCOLN TAKES 12 TO 5 GAME FROM WASHINGTON

Lincoln school made its record two straight wins by defeating Washington's nine by a 12 to 5 score at Round-Up park yesterday afternoon. There was plenty of hitting throughout and some good baserunning by the winners turned the tide in their favor.

Willie Newton twirled the entire game for the losers but his slants were straightened out more frequently than usual. Werner Kubyak, who started for Lincoln, gave way to Hysco, who finished the game in good style. Earl Fleischmann umpired. The batteries were: Washington, Newton and Thompson; Lincoln, Kubyak, Tybee and Hendricks.

## ATHLETIC CLUB WILL BE LAUNCHED TONIGHT

Men who have signed the roll of the newly-organized Pendleton Athletic Club will meet this evening to elect officers and lay other plans for the administration of the new venture. The naval recruiting headquarters, room 252 Federal Building, will be the meeting place and 7:30 the hour. More than 75 names now trace the roll and it is expected that 100 will be reached in the coming few days. Initiation fees of \$2 are now being charged, with the monthly dues \$1. The gymnasium formerly maintained by the Pendleton Commercial Association in the Milrkey building has been obtained and arrangements will be made with the association for the use of apparatus.

## STATE CHAMPIONSHIP WON BY WALLA WALLA

WALLA WALLA, March 25.—Walla Walla won the state basketball championship of Washington last night from Whatcom of Bellingham in a game which was fast and rough, and marked by rugged shooting. The final score was 11 to 10. The game was played at Whitman gymnasium. While the playing was much faster than the previous night, the shooting was not so accurate.

The guarding of Walla Walla was better than that of Whatcom, the local team getting nearly three chances to Walla Walla's one. Walla Walla's hoodlum, however, kept her from getting more than two baskets, and if Whatcom had made no more fouls than Walla Walla the tide would have been a sad one. Whatcom was only able to annex three field baskets.

## Makes Graceful Swan Dives of 125 Feet Into Tank Twice Every Day

Twice a day Miss Helen Carr makes a perfect swan dive of 125 feet into a tank in a New York playhouse. She had established a record of 174 successive dives and while preparing for her 175th plunge discovered that she could not see out of her right eye. Rather than disappoint the audience she took a chance and made the dive successfully. Miss Carr then was operated on and the eye trouble disappeared. She has resumed her diving.
