NO. 9508

HOUSE COMMITTEE ASKS FOR PROSECUTION OF COST PLUS CAMP CONTRACTORS

SAY JAP DEMAND UPON SIBERIANS FOR SOVERIGNTY

Capture of Vladivostok Resulted From Russian Attacks Made in Various Parts of City Following an Ultimatum

JAPS SAY RUSSIANS ARMED THE KOREANS

State of War Has Existed in Two Regions Since April 5 According to Reports to Tokio; Six Demands Are Made.

(By United Press.)
TOKIO, April 6.—(Delayed)—Japanese troops will not be withdrawn from Vladivostok until the menace to lives and property has been removed, according to a war office statement.
A bolshevik attack on Nikolaevsk was planned and executed when the Russians found the Japanese cut off from communication and reinforcements by frozen land and water according to the statement. The Russians have also been supplying the Koreans with arms and ammunition, War Minister Tanaka declared.
Latest reports from Vladivostok indicate that steps have been taken to compel compliance with the six demands contained in the Japanese ultimatum to the provisional government of Siberia, which the Russians consider tantamount to the handing over of their sovereign rights. The ultimatum which expired April 4, was to have been signed by the bolsheviks, but Saturday night the Russians began in various parts of Vladivostok, Japanese troops immediately entered the city and dispersed the Russians.
A state of war has been existing in the Nikolai and Harbinok regions since April 5, according to reports here.

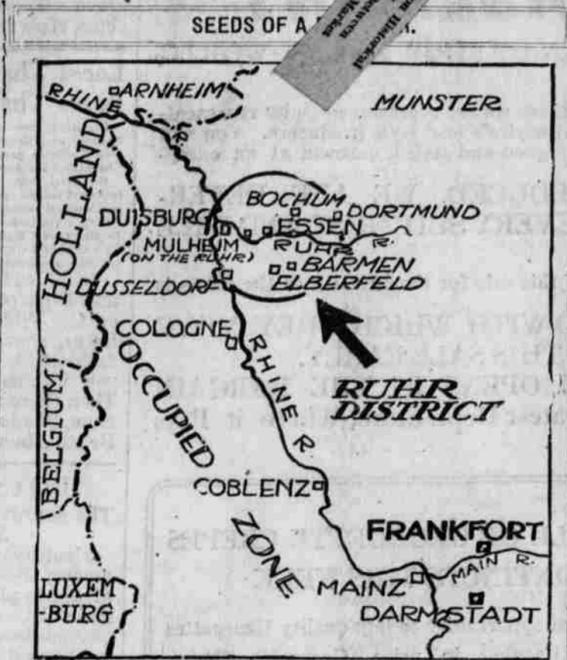

FRED SCHMIDT HEADS FINANCIAL CAMPAIGN

Fred Schmidt, Pendleton lawyer, was last night appointed county chairman of the Interchurch World Movement financial campaign, April 25 to May 2. Mr. Schmidt will appoint community directors in the county who will assist in the drive.

Yesterday the county conference for the world movement was held at the Methodist church in the morning and in the evening. Among the speakers were Dr. Clemens of Portland, who told of the aims of the Protestant churches of the world; Miss Olla Davis, of Portland, deaconess of the Methodist home, who urges co-operation among churches; and Dr. W. W. Green of Portland, who supplemented with lantern slides a talk on a survey of world conditions. He spoke of the need for the spread of Christianity in home and foreign fields.
Gratitude was expressed at the meeting for the excellent work of Rev. J. M. Cornelison, who acted as county convener and who made arrangements for yesterday's conference.

LEGION MEN SCORE KNOCKOUT WITH MOST SUCCESSFUL CARD PENDLETON HAS BEEN IN AGE

Three draws, two decisions and one big knockout were the results in the metropolitan boxing smoker staged in Harry Casey's Saturday night by Pendleton Post, American Legion as a big re-energizing factor in Eastern Oregon sport. The knockout went to the ex-service men who put over the most successful sporting event Pendleton has ever had in this line.
From the opening going exactly at neck to neck to the final bell hit just as Johnny Noye fell through the ropes into the ringside crowd, the card pleased every one of the 1200 fans and fanettes present. Every bout was clean, fast and hard fought. In every event the men were about as evenly matched as any two men could be. All bouts went their allotted distance. The decisions of Referee McAllister and Denver Ed Martin suited the crowd down to the ground.
Noye-Casey Bout Features
Combining all the features of the four bouts that preceded it, the main event between Harry Casey and Johnny Noye, lightweight, was declared worth the admission price alone. From the first to the last, these two boys hit hard, dodged cleverly, took and gave punishment and occasionally cut loose

Some of the shrewdest students of international affairs see in the Ruhr affair and the French occupation of Frankfurt and Darmstadt a situation which may lead to another outbreak of war in Europe. The map shows the region affected.

MOONSHINE BOOZE WORTH \$700, 50 GALLONS OF MASH, AND STILL CAPTURED IN LOCAL RESIDENCE

Seizure of Al Goltz Made Red-handed After Hershel Lewis, Alleged Accomplice, is Taken With Customer.
Moonshine whiskey worth at present prices, \$700; 50 gallons of mash and a complete still were taken in a raid Saturday night in the residence of Al Goltz, on East Webb street. Goltz and Hershel Lewis, the latter an alleged accomplice of Goltz's in the distribution of the illicit liquor, were arrested.
Lewis was arrested first, while in a taxicab with a customer in whose possession a quart of moonshine is alleged by the police to have been found. Lewis was taken to the jail where, this morning, he pleaded guilty to the charge of having liquor in his possession and was fined \$100 or 90 days. He is in jail.

WEST END TEACHERS FOR TWO TAX BILLS

Teachers of the west end of Umatilla county want voters to cast their ballot in favor of the millage tax for support of higher educational institutions and also for the elementary schools, according to resolutions passed at Stanfield on Saturday. They also resolved that politics should be no consideration in the race for county school superintendent and went on record as favoring the reelection of Superintendent W. W. Green. The meeting was a one-day district institute for all teachers in that section of the county.

Business Thriving

The producer which Goltz and Lewis were making contained fruits and grains, the police say. They had a complete outfit and a large supply of ingredients and were evidently doing a thriving business. None of the neighbors apparently knew of the operations in the Goltz house, it was said today.

GRAIN GRADING CHANGE UNLIKELY SAYS HYSLOP

Changes in grain grading advocated by middle west wheat growers, but not favored by northwestern farmers, will in all probability not be adopted, says G. R. Hyslop, professor of farm crops at O. A. C., who just returned from Chicago where he attended the grain hearing.
The suggested changes were increase in the moisture content; allowance of one per cent rye in addition to the present amount of foreign material; and the lowering of the test weight on hard Spring wheat from 58 to 57. Professor Hyslop says that if any change is made, this test weight will be raised.
Umatilla county farmers united in a protest against the changes and Professor Hyslop says that the efforts of northwestern farmers did much to keep the changes from gaining popularity at the hearing.

SONORA REVOLT NOW AWAITING CARRANZA MOVE

Officials of New Republic Demand That no Troops be Sent Into Their State Without Consent of State Officials

SONORA TROOPS NOW IN TRENCHES AT AGUA PRIETA

Carranza Cannot Send Effective Force to Quell Revolt Without Moving His Soldiers Across American Territory.

(By Associated Press.)
AGUA PRIETA, SONORA, April 12.—General J. M. Pino, commanding the first divisional army in the State of Sonora, today advised the Associated Press that he has received semi-official information that 13 additional states of the republic had voted to follow the example of Sonora in seceding. Definite details are lacking, however.

(By Associated Press.)
NOGALES, SONORA, April 12.—Officials of the new "Republic of Sonora," today awaited the next move, which they declared must come from the Carranza administration. In the meantime they are prepared for any military activity against the state. Carranza has but one channel open to bring the state back into the federation, they said. He must accede and guarantee Sonora what they claim is state right—that he will not send troops into Sonora against the wishes of the state government.

TAFT ASKS THAT HIS NAME BE OFF BALLOT

(By United Press.)
SALEM, April 12.—William Howard Taft today requested the secretary of state not to allow his name to appear on the ballot at the Oregon primary election as republican presidential candidate.

FREIGHT TRAINS MOVING

(By United Press.)
SAN FRANCISCO, April 12.—Normal railway service will be restored within a few days, according to predictions of railway officials here today. More freight trains are now moving.

SAYS WOMEN DOLL UP TO CREATE ENVY

HELEN MAC KELLAR
NEW YORK—Men take each other for what they are and women for what they seem, Helen MacKellar actress now playing in "The Storm" women spend their money for fine feathers to make other women raise their eyebrows in wonder and envy, rather than to "camp" men.

LIEUALLEN AND FRIEDLY FILE FOR REPRESENTATIVE TODAY, SEEK DEMOCRATIC NOMINATIONS

11TH ANNUAL ROUND-UP, LADIES AND GENTLEMEN, BEGINS SEPTEMBER 23

Pendleton's eleventh annual Round-Up, ladies and gentlemen is set for Thursday, Friday and Saturday, September 23, 24 and 25, 1920. Newspapers of the world, please copy. There being five week ends in September, the big affair comes a few days later than in 1919, but that, the association explains, will work just that much more time to make it the best ever. The dates were definitely settled on at a meeting held here a few days ago. A few repairs to the track and premises were also decided upon, but otherwise it is a bit early for preparations to be made.

SWITCHMEN MUST WORK; JOBS TO BE DECLARED VACANT

(By Associated Press.)
CHICAGO, April 12.—Striking railroaders in the Chicago district must either return to work or consider their positions vacated and hunt employment elsewhere, District Attorney Charles Clyne told leaders of the men today. The government demands that the trains run and will assist the roads in filling the places of the men who fail to return to work the district attorney is said to have told strike leaders.

Improves In West

(By Associated Press.)
CHICAGO, April 12.—Developments west of Pittsburgh in the switchmen's unauthorized strike are today regarded as pointing toward gradual dissolution of the insurgent forces, but in the east, where the walkout has been joined in by trainmen, in several districts, the situation assumed a more serious character.
In the central and far west numerous reports of defections from the strikers' ranks are reported.
Railroad officials here were presented today with "terms for settlement of the strike" which included recognition of the new union.

Committees Stranded

(By Associated Press.)
NEW YORK, April 12.—The central railroad of New Jersey suspended all passenger service at noon today when agents were ordered to cease selling tickets. The road covers the state and (Continued on page 3.)

Present Status Indicates Fight Will be Between These Two Men and Frank Sloan and S. A. Miller, Republicans.

J. T. Lieuallen of Adams and Manuel Friedly of Pendleton are in the race as candidates for the legislature. They have filed for the democratic nominations for the two positions to be filled by the voters at the election this fall. As neither man has any opposition in his own party appearances indicate that they will race against Frank Sloan of Stanfield and S. A. Miller of Milton, republican candidates.

Mr. Lieuallen was born in Missouri in 1858 and with his parents crossed the plains to Oregon in 1863, settling in this county at that time. He has farmed near Adams for many years but in earlier days worked as a blacksmith and in a general merchandise store. He was the first president of the Farmers' Union of this county and served two terms as president of the county pioneer society. He says that the first time he saw Pendleton there were but a dozen houses here all told. Mr. Lieuallen is the father of nine children, one of them being Dr. Fred A. Lieuallen of this city, who was wounded in the Argonne. Other adult sons are Lawrence Lieuallen and J. T. Jr., both farmers.
Mr. Friedly, like his colleague, has long been a resident of the county. Born in Ohio in 1866 he came to this county in 1886, first taking a homestead near the Furnish reservoir. He bought his ranch in North Cold Springs in 1887 and still operates the same though he has lived in Pendleton since 1912 in order to make use of school facilities here. Mr. Friedly is now chairman of the Pendleton school board and is a member of the city council. He served for four years on the county educational board. It has been his fate to have been a school official nearly all his adult life. He has four children, the two eldest being Enosh Felady, who was in the army and Miss Janita Friedly, who is teaching at Cold Springs. Both these children are graduates of the Pendleton high school.

SEVENTY EIGHT MILLION WASTE REPORT CHARGES

Minority Report Declares That Had Cost Plan Not Been Utilized Germans Would Have Beaten Us Into Paris.

ONE CONCERN SECURED ILLEGAL MONEY, SAID

Sub Committee Wants Constitutional Amendment Making Profiteering in Wartime Classified the Same as Treason

(By United Press.)
WASHINGTON, April 12.—Criminal prosecutions by the department of justice and suits to recover \$78,000,000 alleged to represent government losses through fraud, waste and extravagance in the cost-plus system of contracts for the building of 16 national army cantonments, are demanded today in a report to the house by the sub committee on camps and cantonments of the war department expenditures committee.
The report recommends amendments to the constitution making profiteering in wartime classified the same as treason.
Representative Doremus in a minority report declared he found "very little" evidence of fraud and had the cost-plus system not been adopted the "Germans would have been in Paris before our soldiers reached the battlefields."
The majority report estimates that the alleged loss to the government from fraud and extravagance due to the cost-plus system ranged from 30 to 50 per cent. Responsibility for the losses is placed on Secretary of War Baker. The report gives scores of instances of alleged waste in the cost-plus system, and specifically charges A. Bentley and Sons company, who held the contract for Camp Sherman, Ohio, with receiving illegal payments to the extent of nearly \$170,000.

REVOLT IN GUATEMALA CHIEF CITY IS TAKEN

(By Associated Press.)
WASHINGTON, April 12.—A long threatened revolution in Guatemala against President Estrada Cabrera has finally broken out. Reports today to the state department said that opposition of the president had gained control of Guatemala City after some street fighting.
Marine guards from the cruiser Tacoma and the submarine tender Niagara have been ordered to protect the American legation.
The continuation of the minimum guarantee on wheat after July 1 advocated by Umatilla county farmers, looks extremely doubtful, according to reports from Congressman Chamberlain, McNary, Hawley and Simont, read at the Farmers' Union meeting in Pendleton Saturday.
Representative Hawley and Senator Chamberlain both reported that they are practically certain that congress will not consider any further price fixing legislation. Representative Simont reported the same condition. Senator McNary explained in his report that with the expiration of the food control bill, congress considers it advisable to cease fixing the price on wheat. Umatilla county farmers are still in favor of the continuation of the guarantee because of the freight rates. At the cessation of the guarantee, farmers in the northwest will not receive as much money as those in the middle west because of the difference in freight rates. Protests against cessation of the guarantee have been many.
Beside the reading of the reports from the congressmen, other business at the farmers' union meeting included the endorsement of the higher education tax bill, the two-mill tax bill and the soldiers aid bill. C. P. Strain, county assessor, and J. T. Lieuallen of Adams, spoke in favor of the measures.
The next meeting of the union will be held in Milton on the second Saturday in May.

ROOF FOR APARTMENTS TO GO ON WITHIN WEEK

Brick has been laid to the top of the third story of the Security apartments and ceiling joists were placed in position today. The structure will be ready to receive the roofing beginning next Monday. Ability of local mills to do the mill work rapidly enough will determine whether the building is ready for occupancy June 1, as planned.
Some additional terra cotta for the Elks building cornice has just arrived and as soon as it can be installed the exterior will have been completed. Forms are now being placed on the first floor for the plate glass fronts to the salesrooms. Plastering of the cornice in the lodge auditorium is also under way.
Contractors began today laying sidewalk about the Elks building to connect up with that already in Place, T. H. Banfield, in charge of construction for Parker & Banfield, said today.

Two Men Denied Paroles

Ole Johnson, sentenced to two years for obtaining money by false pretenses, and O. A. Jacobson, under sentence for eight years for a statutory crime, were today ordered committed to the state prison. Judge G. W. Thelus, who considered the application for paroles in the two cases, denied them this morning.

CORRESPONDENT IS SHOT

(By United Press.)
BERLIN, April 12.—Paul DeMott, American newspaperman, alleged to have been connected with the recent communist movement, was shot and killed while attempting to escape from Weigl prison, according to advice from the foreign office to the American mission today.

FURTHER GUARANTEE ON WHEAT DOUBTFUL

The continuation of the minimum guarantee on wheat after July 1 advocated by Umatilla county farmers, looks extremely doubtful, according to reports from Congressman Chamberlain, McNary, Hawley and Simont, read at the Farmers' Union meeting in Pendleton Saturday.
Representative Hawley and Senator Chamberlain both reported that they are practically certain that congress will not consider any further price fixing legislation. Representative Simont reported the same condition. Senator McNary explained in his report that with the expiration of the food control bill, congress considers it advisable to cease fixing the price on wheat. Umatilla county farmers are still in favor of the continuation of the guarantee because of the freight rates. At the cessation of the guarantee, farmers in the northwest will not receive as much money as those in the middle west because of the difference in freight rates. Protests against cessation of the guarantee have been many.
Beside the reading of the reports from the congressmen, other business at the farmers' union meeting included the endorsement of the higher education tax bill, the two-mill tax bill and the soldiers aid bill. C. P. Strain, county assessor, and J. T. Lieuallen of Adams, spoke in favor of the measures.
The next meeting of the union will be held in Milton on the second Saturday in May.
