Girls! Buttermilk Creates Beauty Overnight

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic, but the most wonderful thing about it is the fact that whilst it turns the dulled and most lifeless complexion to radiant beauty and makes red or rough arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin. It is absolutely harmless and will neither produce or stimulate the growth of hair. Within twenty-four hours this wonderful combination called Howard's Buttermilk Cream will work a marvelous transformation. Manufactured at Buffalo, N. Y., by Howard Bros. Chemical Co.
