ITALIAN BARITONE CALLS COLUMBIA HIGHWAY MOST BEAUTIFUL SPOT IN WORLD

PORTLAND, April 16.—He is raving over what he saw Sunday. Who? Riccardo Stracciari, the world's greatest Italian baritone, fellow artist and chum of Enrico Caruso, and owner of one of the most beautiful villas at San Remo, near Monte Carlo.

What did he see? The Columbia river highway, between Portland and Cascade Locks. "It is the most colossal, beautiful thing I have seen in the United States, and I haven't seen anything more grand in all the world," the famous singer repeated time and again Wednesday, speaking of the auto trip he took Sunday soon after his arrival here for the concert in which he appeared last night at the Heilig, as one of the Steers & Coman stars.

"I have been everywhere in the world, but have never seen anything that equals the wonderful highway. It is inspiring, yes, I must say colonial. The greatest treasure in all the United States. It must have cost a lot of money—millions."

Stracciari is accompanied by his wife, and his accompanist, Francesco Longo, a noted Italian pianist, now making his home in New York. Longo says Stracciari has refused to talk about anything but the highway since the Sunday trip.

ONLY ONE DRY VOTE CAST IN MONTMARTRE
(By Associated Press.) PARIS, April 16.—Montmartre, the highhearted, is rejoicing in the possession of a separate government, having repudiated all allegiance to all other administrations in France. The "free commune of Montmartre" as it calls itself will continue, however, to pay taxes to France, being willing to meet even the higher rates to be voted soon by parliament.

SAGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Whooping Cough

In this disease it is important that the cough be kept loose and expectoration easy. This is best accomplished by giving Chamberlain's Cough Remedy. That preparation also tends to liquefy the tough mucous, making it easier to expectorate and renders the fits of coughing less frequent and less severe. It has been used in many epidemics of this disease with the best results. It contains no cocaine or other narcotic.

Took a Severe Cold

"Our five year old son Paul took a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were getting worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it, and the first dose benefited him so much that I continued giving it to him until he was cured," writes Mrs. Frank Crocker, Panama, Ill.

His Stomach Trouble Over

John R. Barker, Battle Creek, Mich. writes "I was troubled with heartburn, indigestion and liver complaint until I began using Chamberlain's Tablets, then my trouble was over." If you are troubled with indigestion or constipation give them a trial. They will do you good.
