A MESSAGE TO THOSE WHO PREFER RIBBONS THAT ARE DIFFERENT

Our ribbon dept. has received a full stock of the ribbons which most women of fashion prefer—ribbons which are used by the leading designers of the country, ribbons which are different from others in style, color and design. Here are wide ribbons in plain and fanciful colorings for sash, bag, vestee or the many things that ribbons are so suitable for. Then there are the narrow two tone ribbons, gros grain ribbons with picot edge, and the many novelty effects that are being used extensively for trimming. Now on display in our ribbon section.
