FAIR WEATHER ON LIST FOR PRACTICE SESSION AND OPENING ON SUNDAY

Stiff Workout of Buckaroo Squad at Round-Up Park Set for Tonight; Things Look Auspicious for First Game.

With fair and warmer the weather man's forecast for today and Saturday, Round-Up park this evening will be the scene of one of the stiffest practices which Pendleton's Buckaroos have yet been able to stage.

While the manager has not yet announced who will be in the lineup on Sunday, it is assumed that Gunner Peterson, former Beaver third baseman, will captain the team in the field.

The selection of a pitcher for Sunday has not been made, but it is probable that Williams, if he is right, will start. He put the skids under Pilot Rock last year and went good all season.

One of the chief results of this afternoon's practice will be the selection of an outfield trio, it is expected. There have been several men chasing flies during the intermittent practice periods, but only an infield of any performance has been developed. There is

plenty of material to choose from for an outer guard.

Grounds will be surveyed off and bases fixed in time for Sunday's contest. The infield will also be scraped and rolled so that fast play of ground balls will be possible. The local boosters have raised considerable money for the support of the team and the repair of the grounds and the season is expected to open auspiciously.

ROD & GUN CLUB WILL CONSIDER ADOPTION OF NEW STYLE IN SHOOTING

Consideration of the European system of trapshooting is to be taken up tonight at a special meeting of the members of the Pendleton Rod & Gun club, which has been called for 7:30 in the offices of J. H. Estes, on Main street. The present system of shooting in vogue in this country differs from that which will prevail at the Olympic games this summer and a move is on foot to have all registered tournaments in the country this summer adopt the new style.

FIRST HOCKEY GAMES OF 1920 OLYMPIAD TO BE PLAYED SATURDAY

Belgium Will Become Scene of World's Greatest Athletic Meet Tomorrow With Five Nations in Competition.

BY R. H. SHEPHERD (United Press Staff Correspondent.) ANTWERP, Belgium, April 22.—Belgium will become the scene tomorrow of another world wide conflict.

Athletic armies of the world's greatest powers will compete in the battle of speed, strength and endurance which opens here and runs through the summer to Sept. 12.

The Olympic games, premier sporting events of the world since the days of the ancient Greeks, come back to the spotlight after a lapse of eight years.

The last Olympic games were held in Stockholm in 1912. Berlin was to have been the scene of the 1916 encounter but all Europe was wrapped in battle at that time. Germany, Austria and the other nations of the Central Powers were denied admission to the games.

The hockey games in the Antwerp Ice Palace open the Olympic contests. The surface of artificial ice is 175 by 65 feet. Accommodations will be provided for more than 5,000 spectators. The original plans of holding the games on the Brussels canal were changed recently.

Five nations will compete in the opening event—The United States, Canada, Sweden, Norway and Denmark.

Without attempting to hazard a choice on the selection of a winner, skating critics are almost agreed that only one nation will have a cinch, but that the honors seem to rest between the teams of the United States and Canada, with the Canadians a slight favorite.

The figure skating contests with entries from the same nations, also open tomorrow.

Informal ceremonies only are to mark the opening of the games. The Belgian Olympic committee, the officials of the city of Antwerp and a representative of King Albert will extend a welcome to the visiting skater and coach and turned over to Cornelius Fellowes, president of the International Skating Union and manager of the American team.

After the hockey and figure skating contests, yachting comes next on the program for July 7 to 16. Polo follows from July 15 to August 2; rifle and pistol shooting July 24-25; and cycling August 9-12.

The real ceremonies are to come on August 14 when the track and field games are to start following the opening of the stadium. The King and Queen are to be present with their court attendants and prominent officials of the nation. A parade of the nations is to be one of the features.

The track and field games run from August 14 to 23; tennis, August 15-23; boxing, August 15-26; fencing, August 15-26; swimming, August 22-29; archery, August 22-29; gymnastics, August 22-29; weight lifting, August 23-27; modern pentathlon, August 24-27; rowing, August 27-28; catch-as-catch-can wrestling, August 27-31; football, August 25 to September 5; hockey (grass), September 1-5; equestrian games, September 6-12.

American colts will be taken into the Olympic games by one of the best hockey teams ever assembled in the United States.

The players were chosen from the three best amateur teams of America—the Pittsburgh Athletic Association, the Boston Athletic Association and the St. Paul Athletic Club. They are all veterans of the ice and skilled players.

Joseph W. McCormick, captain and right wing of the team, was born in Buckingham, Canada, August 12, 1894. He played first with the Pittsburgh team then with Cobalt, Cleveland and Pittsburgh teams. He attended the University of Pittsburgh and served with the United States Motor Transport corps.

Lawrence J. McCormick, his brother, center, is 29 years of age. He learned the game at Buckingham and later played with the Pittsburgh A. A. team. He also served in the motor transport corps.

Raymond L. Bonney, goal, was born at Phoenix N. Y., in 1892. He learned the game with the Hull, Quebec, team and later played with the Pittsburgh A. A. He was assistant physical instructor at Camp Lee, Va.

J. Edward Fitzgerald, defense, was born in Northfield, Minn., 26 years ago. He first played hockey with the St. Paul team and later became a member of the St. Paul A. C. He is a University of Minnesota man and served in the artillery during the war.

Cyril Weddenborner, goal, is a St. Paul boy, went to the University of Minnesota and played with the St. Paul club.

Francis Xavier Gohsen, defense, is 26 years old. He went through the hockey school of St. Paul, studied at California university and served with the U. S. Signal Corps.

George Pierce Geren is 22 years old and was borne in Holyoke, Mass. He played first with Holyoke high school, later with Dartmouth college, and then with various Boston teams. He was in the navy.

Leon Parker Tuck, defense, is also a Dartmouth man. He was born at

(By Associated Press.) The tournament will be held during the last week of June or the first week of July. It was originally planned to hold the matches in August or September.

Under the new schedule it is said that several individual players or possibly a team will represent the United States at Antwerp as a number of prominent golf officials, as well as several players, will be in England just prior to these dates. Giants' Manager and Baby Wildcat Now Trying for Job as Pennant Mascot

Willie Pennant was quite an attraction when the New York Giants opened the National League season at the Polo Grounds with the Boston Braves. That the Giants lost is attributed to Willie's extreme youth. He is a Mexican wildcat kitten, produced by Manager John J. McGraw as a possible mascot for his Giants, but they were on the short end of a 6 to 3 score. McGraw is seen here with Willie Pennant. He predicts that as Willie grows up and his fighting spirit and class develop, the Giants will become infected and develop a fighting, winning streak.
