C. E. GIVES BANQUET.

An alumni banquet at the Milton Disciples Church proved an interesting and enjoyable affair last evening. About 50 people shared the dinner which the young people of the church

gave to re-ignite the interest of the older folk in work of the Christian Endeavor Society and to urge the organization of an Alumni Council of Christian Endeavor of the Church.

Several after-dinner talks were enjoyed before the party adjourned to an adjoining room for the presentation of a splendid program by the young people. Music, songs and readings proved delightful and Rev. J. M. Cornelison, of Pendleton, explained the work of the proposed organization, the interest being such that formation of an alumni association was promised.

TO MEET IN NEW ROOMS.

The new basement reception rooms of the Church of the Redeemer will be the scene tomorrow afternoon of a meeting of the three women's organizations, the Parish Aid Society, the Sanctuary Chapter and the Woman's Auxiliary. About 40 members are expected to be present. This will be the first use of the new addition to the church.

BIRTHDAYS CELEBRATED.

John Meyer and Max Stadfield celebrated their birthday anniversary together yesterday and the occasion proved a merry one for several young neighborhood friends whom Mrs. J. A. Meyer and Mrs. Chris Stadfield, their mothers, asked in for the late afternoon. John was ten years old and Max, now, is five. Games were enjoyed and refreshments served, pink and white earbaths centering a pretty dining table, while red blossoms decked the living room. The hostesses asked in Mrs. Timan D. Taylor and Mrs. J. R. Haley to share the pleasure. The party of little guests included Boneta Stadfield, Margaret

Ebert, Horace Boyden, Allen Boyden, James Haley, Georgia Bradley, Robert Meyer, Arnold Ebert, Robert Bishop, Burke Hayes, Jimmie Stevens, Nylene Taylor and Harlan Swift.

death. Symons broke his leg and has other injuries.

Pendleton Man on Train

C. O. Rinehart, of Pendleton, sustained a wrenched back, but was not seriously hurt. Hamilton had his hand badly scalded and his upper jaw is bruised and shattered.

Conductor W. E. Fergus, who was on train No. 29, was uninjured. The report that he was missing, although coming from railroad men, was erroneous, as he was soon found on his way to Huron station to turn in his report of the accident. He returned to the scene as soon as possible and rendered whatever aid he could to the injured.

Among the injured was Peter Bush, of Tacoma, who in an accident some years ago lost both his legs, above the knees. In yesterday's wreck he received several bruises, but was not seriously hurt.

Others Are Injured

Aaron Theodors Peterson, 212 North Washington street of Spokane, Wash., was cut above the left eye but not seriously hurt. W. T. Dumbleton, 295 Tacoma building, Tacoma, Wash., shoulder bruised. Milton S. Block, La Barge, arm and ankle injured. George McMullers, Elgin and Selma.

Women Need Swamp-Root

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Pendleton East Oregonian.

Dr. James' Headache Powder Clear Your Head and Stop Neuralgia Pain At Once—10 Cents a Package.

It's the quickest and surest relief for headache, whether dull, throbbing, splitting or nerve-acking. Send someone to the drug store and get a dime package now. Just suffering—it's so needless. Be sure you get Dr. James' Headache Powder—then there will be no disappointment.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

To see the healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside bathing every morning for a week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. It's a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, your bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a fine appetite for breakfast. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to demonstrate that those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges or whose skin is sallow or pallid, that one week of inside bathing will have them looking and feeling better every day.

England will be dry in ten years, said William E. (Pussyfoot) Johnson, leader of the American Anti-Saloon League's campaign in Britain when he returned to this country recently to help offset the move to bring back beer and light wines. He expressed himself as highly satisfied with the progress of the prohibition movement in the British Isles and said that the loss of one of his eyes as the result of being struck by a missile thrown by a London hoodlum had resulted in public sentiment that could not be otherwise than helpful to the cause he advocated. This photograph was taken just before he stepped ashore at New York.
