KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.

CLASS ENJOYS REUNION

At Jolly's Inn Saturday evening a group of the members of the Pendleton High School class of 1913 gathered to share a 7 o'clock dinner and enjoy a reunion. Brilliant marigolds tied with knots of black and gold represented the colors of the class and marked the places of the guests. Letters and pictures of members who were not present added to the reminiscent pleasure. The event marked the third reunion of the class, those who enjoyed the 1920 affair being Mrs. Clara Straughan Harvey, Mrs. Lillian Guilford Hamilton, Miss Martha Hudeman, Miss Olive Gwinn, Miss Mildred Berkeley, Miss Beth Smith, Oscar Ferguson, Paul Fennell, Mr. and Mrs. Rexford Gray and Rexford Gray, Jr., who was an honor guest.

TEA IS DELIGHTFUL

The attractive home of Mr. and Mrs. Joseph N. Scott, 115 Lewis street was Saturday the scene of a charming affair when Mrs. Scott and Mrs. C. E. Cole entertained with a silver tea in benefit of the improvement fund of the Christian church.

Scores of matrons and maids called in the afternoon hours, enjoying the affair and the opportunity to aid the church in so delightful a way.

Assisting the hostesses in welcoming the guests were Mrs. George Woodward, Mrs. Charles Oleott, Mrs. Frank Greulich, Mrs. T. O. Reese, Mrs. Raymond Ayres, Mrs. John Greulich and Mrs. J. E. Sharp, and in a charming musical program Mrs. David Stone of Albena, Mrs. Mae Hagar and Mr. Scott gave vocal numbers while Mrs. Bert McDonald contributed to a group of delightful instrumental solos.

Talips lent a bright note to the living rooms while the dining room was a veritable bower in its profusion of cherry blossoms. Guests were served about little tables where pink blossoms were lovely in the glow of pink-shaded candles and the same color motif prevailed even to the dainty China over which the callers enjoyed tea.

Forty-two dollars was added to the fund by the affair. The German Ladies Club shared in supporting the enterprise and several motor parties of Albena folk motored down for the afternoon.

TOO WEAK TO DO ANYTHING

A Serious Feminine Illness Remedied By Lydia E. Pinkham's Vegetable Compound.

Caseo, Wis.—"After the birth of each of my children I had displacement and

was so weak I couldn't do anything. I found a book about Lydia E. Pinkham's Vegetable Compound so I thought I would try it, and after taking it, I soon felt better. That was fifteen years ago and I have felt well ever since except that I had a slight attack

of the trouble some time ago and took some more of your Compound and was soon all right again. I always recommend your medicine and you may publish my testimonial for the benefit of other women."—Mrs. JULES BERO, Jr., R. 1, Box 99, Caseo, Wis.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, No one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

Notice to the Public

To all those wishing to have their dear relatives, resting places improved before Decoration Day by permanent improvements, such as Cement Earth-Tight Vaults, Hally Cement Walks around lot, etc. Inquire.
