PILOT ROCK DEFEATS HELIX ON OWN FIELD

Pilot Rock got its long-desired revenge over Helix by winning, 6 to 0, at Helix yesterday in the only game played in the Blue Mountain circuit. The winners strengthened their lineup with Jecko Grause, a well-known semi-pro pitcher from Portland, Nate Schandling, a catcher on his way to join the Southern Idaho League, and Charley Moore, former league infielder, also from Portland.

The game was Pilot Rock's from the start, the three recruits adding considerable strength to the southern nine. Helix used all three of its available pitchers but none was able to hold down the score.

Pickett, Helix Rock second baseman, was removed from the game and taken to the Helix jail for fighting with Empire Miles late in the contest. Pickett took exception to the umpire's calling Krause out on a third strike which hit the batter and made his objection more emphatic by swinging at the umpire, although smaller than Pickett, threw him over his shoulder to the ground and would have pummeled him had not the marshal arrested the offending player. He was released on bail.

A large number of local fans went out to Helix to the game when it was learned that a contest would be played. The batteries were:

Krause and Schandling; McGee, Thorne, Jettee and Thorne.

The game between Milton-Preventer and Pendleton and between Athena and Walla Walla, were called off yesterday morning when it was thought that the rains would not abate during the day. In the afternoon, however, the precipitation stopped, but it was then too late to have a game here. Many fans were disappointed when they went to the park only to find that there would be nothing doing.

On May 3 the new proprietors of the Pilot Rock Meat Market took charge. Gottlieb Kurrle and Frank Michael of Pendleton are the owners, who recently purchased the market from G. N. Johnson.
