

CHILE IS BEST IN FIELD AND TRACK MEET HELD FOR SOUTH AMERICANS

Nation Scores 61 Points in Games Which Are Similar to Olympics; International Contests New in Land to South.

(By Associated Press.)
NEW YORK, May 11.—With the probability of teams representing some of the South American Republics being sent to compete in this year's Olympic Games at Antwerp, Belgium, the growing interest in track and field athletics in South America was considerably stimulated on April 23, 24 and 25 when teams from Chile, Uruguay and Argentina met at Santiago, Chile in what is known there as the South

American Olympic Games. The Chileans won by a total score of 61 points against 43 for Uruguay and 20 for Argentina.

While they were not strictly Olympic games, inasmuch as the first international contest of this kind was held last year between Uruguay and Chile and it is planned to hold the contests annually, they have been so designated by the newspapers as to correspond, in character, to the four year international Olympiads that are held in the northern hemisphere or Europe.

Chile Won in 1919.
The initial South American international track contest in April, 1919, was held in Montevideo and resulted in a victory for Chile by a score of 64 points to 47. Argentina declined to enter the contest but this year her national athletic organization decided to send a team.

While the records made last year do not approach in most instances those that have been scored at the international Olympiads or by North American club and college athletes, it must be borne in mind that track athletics in South America are practically in their infancy. The Latin-American athletes have not yet had the advantage of the scientific training developing in the northern hemisphere. That the South American athletes are improving in their track form is shown, however, by the fact that new records were established in three events. The records, as they stood at the close of the games at Santiago, Chile, late last month, are as follows:

Records Look Good
Shot-put (Chile), 37 ft. 6 in. 1-2 in.
Javelin-throwing (Chile), 150 ft. 7 1-2 in.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would not think

of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

WOMAN, 62, JAILED ON MURDER PLOT CHARGE

(By Associated Press.)
SALISBURY, May 11.—Indicted by the Marion county grand jury on a charge of assault with intent to kill, Mrs. Lena Steiger, age 62, is in the county jail here Saturday in default of \$5000 bonds. She was arrested last night by the sheriff. Mrs. Steiger's indictment, and subsequent arrest are alleged to be the result of a confession made to the grand jury by Jesse Mullins,

who was arrested the night Mrs. Steiger's husband was shot, March 25.

In the Mullins alleged confession, according to the county prosecutor, he accused Mrs. Steiger of paying him \$100 to kill her husband, when they would then marry, and Mrs. Steiger would come into possession of her husband's \$70,000 estate. Steiger recovered from the shots.

HIT BY CAR, VICTIM STABS ITS DRIVER

(By Associated Press.)
SAN FRANCISCO, May 11.—Pietro Mauchel, 74, and Valentine Cooney, 60, were close to each other in the emergency hospital and each is seriously hurt. Cooney's auto ran down Mauchel last night. While he was burying his aged victim to the hospital, the latter stabbed Cooney several times. Cooney will face charges of driving while intoxicated and Mauchel one of assault to commit murder.

OREGON WINTER WHEAT IS 91 PERCENT NORMAL

(By United Press.)
SAN FRANCISCO, Cal., May 11.—"Material improvement" over the previously unsatisfactory agricultural outlook, is reported in a bulletin issued by the Twelfth Federal Reserve bank of San Francisco, covering general business and agricultural conditions in the states of Arizona, California, Idaho, Nevada, Oregon, Utah and Washington.

The improvement noted resulted from the general rainfall during March and April, according to the bank's report, which stated:

"The condition of winter wheat is now 85 per cent normal in California, 91 per cent in Oregon, 87 per cent in Idaho, 94 per cent in Nevada and 98 per cent in Utah, as compared with the district condition of approximately 55 percent at the same period in 1919. In Washington, which normally produces approximately one-third of the winter wheat grown in this district, the condition is only 73 per cent of normal, as compared with 97 per cent a year ago, and it will be necessary to reseed from 10 to 20 per cent of the fall-sown wheat in that state.

"Spring wheat acreage throughout the district will approximate that of a year ago. The ground is in excellent condition for seeding, except in Oregon where planting is being somewhat retarded by the late spring. In the inter-mountain region, heavy snowfall during March and the early part of April assured sufficient moisture for dry-farming sections and abundant water for irrigated lands."

Lumber mills in the Pacific northwest are being compelled to restrict acceptance of orders due to their inability to secure cars.

HOW'S YOUR BLOOD? Pimples and Eruptions Mean Bad Blood

People who have impure or impoverished blood should be careful to take only a temperance remedy made of wild roots and herbs, such as Doctor Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and many skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.

Get Doctor Pierce's Golden Medical Discovery to-day at any medicine dealer, in tablet or liquid form, or send 10c. for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

OAKLAND, CALIF.—"A relative was poisoned, her blood turned to water; the doctors gave her up, and she could never be cured. She finally took Dr. Pierce's Golden Medical Discovery, and it cured her. I have had six operations, which left me in a nervous state, with loss of sleep and appetite. Doctor Pierce's Golden Medical Discovery and Pleasant Pellets cured me. I gained 30 pounds."—Mrs. MAX TUDROW, 404 Sutter Street.

PENDLETON, OREGON

Steady, America!

LET US WORK THIS OUT TOGETHER

Republicans, It Is Up to Us to Elect a Real President This Fall

He Must Be the Biggest and the Soundest and the Most Effective American We Can Find

In states where the contest was between Wood and Johnson for the instruction of delegates to the Republican National Convention, the strongest candidate has been Wood, even with part of his backing among other contestants. The outcome in these states has been as follows:

FOR WOOD

MINNESOTA
SOUTH DAKOTA
NEW JERSEY
MASSACHUSETTS
MARYLAND
INDIANA
NEW YORK
NEW HAMPSHIRE
IDAHO

FOR JOHNSON

NORTH DAKOTA
MICHIGAN
NEBRASKA
MONTANA

Total number of delegates pledged to vote for Wood at Republican National convention—321.

Since the narrowing down of the field the situation is diagnosed as follows:

A VOTE FOR HOOVER, FOR LOWDEN, OR FOR POINDEXTER IS A VOTE FOR JOHNSON.

Here Are Some Newspaper Estimates of the Situation

New York Tribune, April 29, (Republican)

The country is beginning to take note of the character of the Senator's chief support. He has attracted to his standard the remnants of the old German-American Alliance, like-wise the special champions of Eamon de Valera, and also radicals and their dupes who regard Lenine as a great statesman. Finally, he has the vociferous Indians, most of them, who makes little secret of the fact that he hopes Senator Johnson will be defeated at Chicago and that in his irritation he will consent to head a third party.

Evening Post, N. Y., April 28, (Democratic)

Wood remains the one contestant who figures everywhere, even where there are "favorite sons." The only place where he makes a distinctly poor showing is in industrial centers of radical tendencies. There, on the contrary, Johnson runs best; in addition, Johnson gathers in the Germans and the Irish. This is true of New Jersey and of Ohio as it was true of Michigan and of Nebraska.

New York Times, April 29, (Democratic)

In New Jersey Johnson was strong in the cities, especially in such cities as Hoboken and Jersey City, where the German vote is strong. He undoubtedly got the vote of extremists among labor men.

Town and country districts saved Wood, and, considering the character of his support and that of Johnson, the closeness of the race is not reassuring for those who wish for an end of social disturbance and for a firm maintenance of the attitude the nation took during the war.

JULIE SMITH FOUND GUILTY OF SHOOTING

(By United Press.)
TACOMA, May 11.—Julie Smith, public stenographer, was found guilty by a jury of the charge of shooting with intent to kill County Prosecutor Askren on the night of April 3. The jurors deliberated all night.

The Smith woman was under sentence of two years in prison for performing an illegal operation but was set at liberty on bail when Askren, who prosecuted her, was shot on his doorstep. He recovered and testified against her at the trial.

600 CUSTOMS HOUSE EMPLOYEES PLAN FOR CO-OPERATIVE BUYING

(By Associated Press.)
SAN FRANCISCO, May 11.—Six hundred customs house employees here are planning on a system of cooperative buying in an effort to reduce living costs. A movement for an "overall club" is also being planned.

The buying plan contemplates an initial charge of \$2.50 to each member for a revolving fund. Groceries are to be purchased from samples displayed in a room at the customs house and orders delivered there each Wednesday.

THREATENS TO OPPOSE WOOD

(By United Press.)
WASHINGTON, May 11.—Senator Kenyon, of Iowa, declared in the senate today that E. F. Dupont De Nemours Company of Wilmington, Delaware, virtually had threatened to oppose General Leonard Wood's campaign unless Senator Moses of New Hampshire, one of his campaign managers, withdrew his opposition to the dye bill now before the senate.

FOOLING WITH HEALTH SERIOUS

I have frequently asked druggists, "What do you push in a blood medicine?" The answer usually came, "The kind I can make the most money on." My answer has always been: "Not me!" I have succeeded pretty well and I have always recommended the one that I had found by experience to be the best and the one that I would be willing to take myself or give to members of my own family. I have never offered the public a medicine that we do not use at home. This is why I can offer "Number 40 For The Blood" with a clear conscience. We take it in all cases where a blood medicine is needed, no matter in what form it shows itself and we get splendid results in constipation, kidney, stomach and liver troubles. J. C. Mendenhall, Evansville, Ind., 40 years a druggist. Mr. Richard Dickson, furniture dealer, 157 Forest St., Spartanburg, S. C., was troubled a great deal for several years with a breaking out that resembled Eczema. Before we got the agency for Number 40 For The Blood, we sold him many kinds of blood remedies and compounds recommended for skin troubles. He got no permanent relief, however, until we got him started on Number 40. He took several bottles and was soon entirely relieved of the very disagreeable skin trouble, but he has not quit Number 40. He says he has found it the best liver medicine on the market, and will keep it on hand no permanent relief, however, until we got him started on Number 40.
