DELPHIAN CLUB TO MEET
The Delphian Club is to meet Friday afternoon at the home of Mrs. L. M. Spalding, 211 Lincoln street. A regular program meeting is planned.

LODGE HONORS MEMBERS
A charming compliment added to a long list of courtesies being extended Mr. and Mrs. John Vert was a reception and supper given after a regular session of Bushee Chapter, O. E. F., Tuesday evening. Lilies and apple blossoms, fragrant and colorful, decked the room and in the banquet room where the collation was served, ropes of yellow formed a canopy overhead. Blossoms and tiny lights lent artistic decoration to a latticed wall at the west of the room. A great star, fashioned in flowers and gleaming with colored light hung in the east and guests, nearly one hundred in number, found places at lilac decked tables ar-

ranged in the form of a double "T". Mrs. Mary Johnson, grand secretary, presided in a charming way as toastmistress. Mrs. Mae Hagar accompanied by Miss Mable Johnson sang two delightful solos and A. J. Owen spoke on "Pioneer Members of the Chapter." Mrs. J. B. Perry talked on "Our Grand Officers" and Mrs. Thomas Robertson with Miss Pauline Doherty at the piano, sang "My Ain Folk" and "Annie Laurie." Mrs. I. U. Temple then gave a toast, here there "Should Auld Acquaintance Be Forgot," affording a lovely tribute to the honor guests and their native land. Mrs. H. E. Bickers presented Mr. and Mrs. Vert with a steamer robe as an expression of appreciation for their service to the lodge and its shower of "bon voyage" wishes. Mrs. Vert is a past worthy matron of Bushee Chapter and a past worthy grand matron of Oregon while Mr. Vert a past grand

patron, was the first worthy patron of Bushee Chapter. Each of the honor guests responded in a charming way to the tribute.

The committee in charge of the affair included Mrs. Roger Kay, worthy matron; Mrs. R. T. Brown, Mrs. Perry, Mrs. Bickers and Mrs. Temple. They were assisted in serving by Mrs. J. C. Woodworth, Mrs. Charles Helts, Miss Emily McElmroo, and Miss Lotta Livermore.

Out of town guests were Mrs. Ralph McEwen, Grand Adm. of Athena and Mrs. Louise Boyd, worthy matron of the Athena chapter.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have headache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

"You dealers are profiteering on a large scale," said Mrs. Edward Scanlon, president of the league. "While they have been constantly boosting the prices our investigation has shown that there are thousands of hides, wool and pelts lying unused in local warehouses."

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully dyed, glossy and attractive with a few drops of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says every body uses Wyeth's Sage and Sulphur Compound, now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.
